Our Summer Program schedule is complex. We offer weekly sessions to accommodate the CSUF Summer classes as well as other family needs. Please select the weeks, days and times that you need carefully.

We must balance flexibility with necessary elements of program stability-- which means that we must maintain minimum enrollment levels. Therefore, we offer the following options:

- 1) Mondays and Wednesdays 2) Tuesdays and Thursdays 3) Fridays

You may choose one, two, or all three of these options each week (no Friday only). If there are days you do NOT want, we will seek to find a child who can take those days; if we are successful, your child will be "unscheduled" for those days. **Minimum enrollment is for 3 weeks, 2 days, 4 ½ hours each.**

Mark the weeks you'd like to come during summer. Then, mark the days and times during those weeks.

If you need two different schedules, use both templates.
