

Funded Councils
Student Engagement Report
FY 2011-2012

Mission Statement

Funded Councils are University recognized student organizations that receive ASI funding and are a part of the ASI Executive Senate. The ASI Executive Senate is composed of the leadership of all student-run councils and programs that ASI funds. The purpose of the Executive Senate is to provide a line of communication between the leadership of the ASI and the various student-led programs and councils that it funds. The Executive Senate is also a resource for programs and councils, assisting them in their activities, and a means to encourage cooperation and collaboration among the groups.

Program Overview

There are seven funded councils that serve as part of the ASI Executive Senate. These University recognized councils receive funding from the ASI to provide programs and events for the students of Cal State Fullerton. Many of these councils are composed of University recognized student clubs.
