

Inter-Club Councils
Student Engagement Report
FY 2011-2012

Mission Statement

Inter-Club Councils (ICCs) are university recognized councils that receive funding from ASI. These councils are a part of the ASI Executive Senate. The ASI Executive Senate is composed of the leadership of all student-run councils and programs that ASI funds. The purpose of the Executive Senate is to provide a line of communication between the leadership of the ASI and these programs and councils.

Program Overview

There are ten ICCs that receive ASI funding; one in each of the eight academic colleges, the Community Service Inter-Club Council and the Sports Club Inter-Club Council. These councils help facilitate the allocation of ASI money to clubs and organizations for programs, speakers and student conference travel. Each council is composed of university recognized clubs and organizations.
