ASSOCIATED STUDENTS, CSUF, INC. SUPPORTS DEFERRED ACTION FOR CHILDHOOD ARRIVALS (DACA)

FULLERTON, Calif. — On February 12th 2013 the Board of Directors unanimously approved a resolution presented by ASI Lobby Corps in support of DACA.

Deferred Action for Childhood Arrivals allows young undocumented individuals to apply for a work permit and a two-year renewable reprieve from deportation. DACA is significant to the state of California, as well as to Cal State Fullerton, since an estimated 2.9 million undocumented immigrants call California home and an estimated 10% of the CSUF population identifies as undocumented.

"Over 700 CSUF students have applied for DACA within the past four years and many additional students are or will be in the process in the coming years," stated Lobby Corps. "Be it resolved that ASI supports Deferred Action for Childhood Arrivals and that ASI will continue to be an advocate for students holding temporary residency and undocumented students alike," concluded Lobby Corps.

Members of Lobby Corps at Cal State Fullerton took the resolution of support for DACA to the Board of Directors for approval. From there, Lobby Corps gained support from the Board of Directors and will continue supporting and informing students for DACA.

For more information on DACA and the resolution drafted by Lobby Corp, please contact ASI Lobby Corps at (657)-278-3295 or asilobbycorps@fullerton.edu. For more information about Lobby Corps and all their advocacy efforts at CSUF, please visit asi.fullerton.edu.
