

## CSUF Clubs & Organizations!!! What can the Titan Pride Center do for you?

The Titan Pride Center wants to help get the word out about CSUF clubs and organizations! Check out all of the ways we can help your group!

### Titan Pride Balloons

Add some excitement to your on campus events or when tabling on Titan Walk! The Titan Pride Center can set you up with helium filled balloons and ribbon. Just come to the center at least an hour before you need them and we'll take care of the rest. Even a few balloons can add a lot of visibility for your group. Groups can receive up to 10 balloons per semester.

### Our Facebook Wall

Post information and links about your group's events on our wall on Facebook. Using our Facebook page is a great way for other CSUF students to see what your group has going on! You can find our Facebook page at [www.facebook.com/titanpridecenterpage](http://www.facebook.com/titanpridecenterpage).

### Get Tusked!

Bring your executive board, new members or entire club to the Titan Pride Center and we'll take your picture showing off your Titan Pride! We'll post the picture on Facebook so that all of your members can see it and can tag themselves. Getting Tusked! is a great way for your group to have fun together and welcome new members!

### Promotional Video

Have a representative from your group come to the Titan Pride Center and record a promotional video about the group. We will post it on Facebook so other students can find out what your group is all about and how they can get involved!

### Tabling at the Titan Pride Center

Have a representative from your group in the Titan Pride Center to promote the group and its events and activities. Schedule your day at the Titan Pride Center and bring all of your promotional materials. We will have a table ready for you and even help promote with you!

### Puzzle Wall

Post a flyer in the Titan Pride Center for your group or event. Come to the Titan Pride Center with an 8.5" x 11" flyer and we will put it up. Remember to make sure it's approved by the Student Organization Resource Center (SORC).
