Sanchez, grad student, shared with the Board that they are working to implement a social justice workshop across college campuses and universities. Their goal is to encourage a cultural shift. Sanchez talked about etiquette and culture of professionalism. Heard positive feedback from student leaders in regards to feedback on the previous article. Sanchez reviewed the two articles distributed to student leaders written by professionals from University of Kansas. Sanchez talked about how some campuses target marginalized students being encouraged to come to campus and run for positions, but keep students silenced. They talked about oppression of voices on campus from the perspective of a professional administrator. Sanchez shared that CSUF is ahead of most with the multicultural program, AICA, but they shared that the challenge is AICA is under the productions organization and is seen as an entertainment program. They encouraged the Board to consider the information and to consider what can be done to further improve.

La clarified that AICA is under programs and not productions.

Elections Conditional Campaign Appeal

BOD 050 17/18 (Jakel-m/ Torres-s) A motion was made and seconded to suspend Article XII, Section 2, Clause 3 of the ASI bylaws, to allow Kelly Zarate and Kaetlyn Hernandez to be candidates for the positions of President and Vice President during the spring 2018 ASI election and to be placed on the official ballot contingent on candidates’ meeting the qualifications described in Article XII of the ASI bylaws by 12noon Friday, March 9, 2018.

Jakel spoke to the first indicating that the candidates need to have the GPA corrected by the 9th to qualify. Jakel invited Zarate and Hernandez to speak to the Board on behalf of their appeal.

Zarate clarified that she has been working with the professor for weeks after realizing the error in her grade. She shared that the professor has confirmed her grade that will be reported to the university. Waiting for required signatures and for the work to be completed. Zarate provided an update on the email string with the professor.

Jakel opened the floor to questions and discussion.

Sheppard asked if the grade is not changed in time as outlined in the motion will the team not appear on the ballot. Jakel confirmed.

Gwaltney asked which semester the grade issue occurred. Zarate shared it was fall 2016. She clarified that the grade was not submitted until winter break 2017.

Julian asked when the team decided to run for the position. Hernandez shared they started talking about running approximately four weeks ago. Julian asked why the sudden urgency to get grade fixed after so much time had elapsed. Zarate provided her understanding of the process based on communication with professor. Was not
aware that GPA was below threshold. Julian shared concerns with the delay in
addressing the issue.

Sheriff asked if Edwards or Wiley had received communication from the professor.
Edwards and Wiley confirmed they have not heard from anyone.

Ansari asked for clarification on the timing of when the grades should have been
posted. Zarate provided an overview of the timing of posting of the grade.

Chicas asked about the email from the professor stating that she waited 1 year to
submit paperwork. Zarate provided a response that she did take a year to submit the
paperwork, however she was still within the approved timeline. Unfortunately, there
was an issue with the email going through.

Rodriguez asked for clarification when an “I” is issued on a course. Zarate provided
an overview. When a class is marked as incomplete the student is given an academic
year to complete the coursework.

O’Toole asked to confirm the reason it took so long to complete the work. Zarate
provided confirmation.

Julian asked when correspondence occurred with Wiley and Edwards. Zarate shared
that she received notification that candidacy did not go through from Wiley around
the 23rd. Ansari asked for clarification on the date of January 23rd or February 23rd.
Zarate confirmed February 23rd.

Jakel asked if there were any other questions and moved into discussion.

Sheriff stated that technically Zarate completed the work as required by the teacher.
It would be unfair based on the situation to rule the candidates out from running if all
requirements are met.

Chicas agreed that they should be given the opportunity if they meet the deadline by
Friday. She further shared concerns with the delay in completing the requirements.

Gwaltney shared concerns with setting precedence for future issues with candidates
not meeting deadlines.

La shared the Board may consider developing a way to address these types of issues
in the future. Jakel asked La to clarify what should be clarified in the bylaws. La
shared that he was confirming with Gwaltney that there is a need to ensure direction
is clear in the bylaws.

Sheppard noted that situations such as this most likely will not happen too often.
There were other applicants that could not run due to GPA. Given the circumstances
the Board should think about what is fair going forward.

Jakel asked if there were any objections to moving to a roll call vote.

**BOD 050 17/18** (Jakel-m/Torres-s) MSC: 8-0-4 The motion passed.
ASI Policy Concerning Leadership Graduation Honors

BOD 051 17/18 (Governance) A motion was brought to the Board from the Governance Committee to strike ASI Policy concerning Leadership Graduation Honors.

Jakel yielded to Rodriguez, Governance Committee Chair, to review the discussion and reasoning for striking the policy. Rodriguez shared an overview of the graduation honors program. Shared that the policy was confusing, difficult to maintain. Wanted to get away from the point system. The Committee felt if a student is involved in ASI they should have the opportunity to purchase items to represent their participation.

La asked for pricing. Jakel shared both would run approximately $40 or $50.

Jakel opened the floor to questions and discussion.

Ansari stated that she attended the Governance Committee meeting discussion and proposed opening the program. Vasquez shared the Committee considered Jason Bonney as an example, participated in ASI programs but only on BOD for one semester. Felt there should be no cutoff.

La shared that the changes makes sense, but asked if there was a possibility that a new program could be developed where students could purchase sash, however the cord would be awarded by ASI. Jakel stated it is virtually a nightmare to keep track of all of the students and activities they have participated in. He also shared that it was a budget discussion allocation.

La shared that the design of the sash may want to exclude the term “leader” if the items are open to any and all students. Rodriguez shared thinking that the sash says leader now and if a student wants to purchase the sash it would potentially be a deterrent.

Jakel clarified that the vote is to strike the policy and the details regarding the design of the sash have not been finalized. Rodriguez shared that the committee felt simplifying was the best action to take.

Torres asked if there was any other system that the committee considered. Jakel provided further clarification.

Gelrud shared that the Committee felt that the program was very convoluted. Simplification was the best option.

Jakel asked if there were any objections to moving to a roll call vote.

BOD 051 17/18 (Governance) MSC: 11-0-1 The motion passed.

Sports Club Inter-Club Council Contingency Request

BOD 052 17/18 (Finance) A motion was brought to the Board from the Finance Committee to approve a contingency request by Sports Club Inter-Club Council (SCICC) for $7,500.00 to provide sports trainers for home games.

Jakel yielded to Cody Hale, SCICC Vice President of Finance, and Julian, Finance Committee Chair, to review the request and the discussion from the Committee. Julian provided an overview and context for the request.
Jakel opened the floor to questions and discussion.

Chicas asked if there was an opportunity to use student sports trainers. Hale confirmed that that was not an option because of the regulations.

Rodriguez asked if the Finance Committee considered budget impact going forward. Julian asked Hale if the requirement was included in the budget for the coming year. Hale confirmed.

Vasquez shared sports trainers is a necessity for the program.

Jakel agreed with Vasquez and shared that he is looking at writing a resolution to focus on keeping students safe with these programs, including SRC Intermural Sports program.

Jakel asked if there were any objections to moving to a roll call vote.

**BOD 052 17/18 (Finance) MSC: 12-0-0 The motion passed.**

**Indian Student Association Contract over $5,000.00**

Jakel yielded to Julian, Finance Committee Chair, to review the request and the discussion from the Committee. Julian shared an overview of the request. Invited Nisha from ISA to provide an overview of the request. She provided a PowerPoint presentation which is an attachment to the minutes.

Jakel opened the floor to questions and discussion.

Ansari shared that she attended the ISA show in the past and it is a great event.

Jakel asked if there were any objections to moving to a roll call vote.

**BOD 053 17/18 (Finance) MSC: 11-0-1 The motion passed.**

TITAN TUSK FORCE

BOARD REPORT 3/6/18
GOALS FOR THE TEAM

• To create new traditions in typically seen events so that a new welcoming feeling is established.

• To bring attention to Athletics through more interactive tailgates and pep rallies that directly involve the athletes.

• To create a connection between students and student athletes.

• To market events in more collaborative and innovative methods that will bring together ASI and students.

• To bring attention to aspects of campus that students are passionate and spirited about that aren’t usually showcased.

TTF aims to create an environment of inclusivity and collaboration. We wished to do so by holding a higher retention at events that aren’t typically events students stay at, creating larger events by constantly working with other areas of ASI and campus organizations, and bringing back new versions of forgotten traditions.
FOCUS FOR THE SEMESTER

• This semester, we are focusing on pushing our reoccurring to increase student participation and retention. Our food giveaways will feature resource centers that are useful for students to gain education on. The tailgates will now be catered (instead of cooking on location) to feed more students quickly. All reoccurring events have been opened up to Greek Life to provide the opportunity for more volunteers. Titan Tusk Force is also focusing on two spirit events: Pride and ASI Carnival. The Events Coordinator is looking to the LGBTQ Resource Center for the possibility of a guest speaker and then looking to provide some sort of programming before the speaker’s segment. ASI Carnival will highlight ASI, Titan Athletics, and Spring Concert through carnival games, rides, food, and student performances.
FUNDING

• The budget has been used for tailgate games, all catering orders, all set-up for the events, lighting and staging for the pep rally, All Day ASI and All Night Study contributions, marketing, ASI Carnival, and all promotional items.

• All of our events have received an attendance of 200-500 students.

• There are Carnival expenses that are still being processed.

THANK YOU

Thank you.
 Approximately a week ago, Kaetlyn and I filed for candidacy to be eligible to run for ASI President and Vice President. We were informed Friday, February 23rd, that we would no longer be able to run due to a GPA discrepancy. Upon further reflection, I realized that a grade mistake had affected my GPA to be right below the GPA requirement to run. I have been working for about 6 weeks with the professor to get the grade changed. Upon further investigation, it appears that there was an issue with submitting my assignments through email and also an email change for my professor. Upon sending in my assignment to her previous email, the accounts did not link so the email was never received to her knowledge. Once we provided her through receipts that the email was sent, she agreed to work with us to change the grade. She is currently working with the department and other officials to get this grade change reflected onto my TDA. As of February 29th, I have received confirmation from my professor that she is moving forward and taking action to right the situation. In this unique circumstance, my GPA is expected to reach the 2.5 GPA minimum requirement.

While elections has already begun, we have contributed a significant amount of our finances into this campaign. We are requesting a conditional agreement to be given the permission to run with the other candidates and have our names placed on the ballot. If the grade mistake is not resolved by the end of elections, then we agree that we must be taken out of candidacy. Thank you for your consideration.

Per the emails that I have received from my professor and the meeting we had. She is currently in the process of meeting with the chair of the history department to begin filing the paperwork for the grade change. As this is a unique situation, she has expressed speaking to multiple professors and professional staff to determine what is the best approach. According to my previous grades I received while in the class and my current GPA, my GPA will at least reach minimum if not surpass it.

Hello Kelly,

I hope the new Spring semester is treating you well so far!

I am not sure if you remember me but my name is Kelly Zarate and I took your History 110B course a few semesters ago. I received an incomplete in your course and we had agreed that if I completed the last assignment I would still be able to receive credit. I sent the assignment towards the end of the fall 2017 semester and have yet to hear back on what are the next steps once you received my assignment. Please feel free to let me know if you need anything else from me so the incomplete can be removed from my TDA.

Thank you again for your time and I hope to hear from you soon.

Best,
Kelly Zarate
Hello Professor,

I really appreciate you remember me even though the class was so long ago. It has been a crazy semester for me so far and I would really hope that we can work together to figure out how to right this situation as I am hoping to graduate soon. This is new territory for me too, but I feel that we can figure something out. I have attached my previous email sending you my final Documents paper last semester. It appears that I sent it to your old email so maybe it became lost that way.

Best,
Kelly Zarate

Hello Professor,

This is Kelly Zarate from the HIST 110B course from the Fall 2016 semester.

Once again thank you for being so understanding and I also apologize for saying thank you so often. I haven't met a professor that has been so kind and understanding of my situation since I took your course. Attached to this email you will find my documents paper, which has been long overdue. I hope you find it interesting as the sections I read about where intriguing, and that is saying something as I'm not typically keen on history related material.

Also, I'm not sure if this is entirely appropriate but I feel the need to say that it is really cool to be able to say that I have had a professor who is transgender in my lifetime. It is so brave of you to be outspoken about this subject and the history of LGBTQ+ community in your teaching. I find it so inspiring and humbling to have met you. Thank you for all that you are doing for this movement.

Please let me know if I need to do anything else and I really hope you have a wonderful winter break.

Hello Kelly,

Yes, I do remember you. Thanks for reaching out. What method did you use for completing the course requirements? I never received anything for you. As you remember, a student has a full calendar year to complete the requirements for an I to be changed to an earned grade. If nothing is done, the I is converted to the equivalent of an F. To be honest, I don't see what I could do to change your grade since assignments should have been received by the end of Fall 2017 semester. You will have to verify that you did turn in your work by the end of final exams. This is territory that I am not familiar with. I hope you succeed.

Sincerely,
Professor Thompson

Hello Professor,

I do apologize for how soon I sent the last email, but I am wondering if you see any possibility in being able to adjust my grades. At the moment, I am in the process of running for office as Student Body president for our campus. In order for me to move on in this process, I need to meet the GPA requirements. Due to the grade I received in your class, it has been brought my GPA below the requirements. Is there anyway I can get a confirmation from you that my grade is incorrect so I continue to move forward in this process. I do not mean to sound so forward and assuming things, but at least I would like to know if there is a possibility that we can investigate what happened.

Hello Professor,

Thank you for taking the time to check in regards to this situation since I understand that we are quickly approaching finals season and your time is precious. Please consider my request as this decision not only affects me and my graduation date, but without the grade change my running mate will also be affected. We would both be disqualified from participating in this campaign season and substantial monies that we together already spent on campaign materials will be completely wasted. Based on previous emails and communications between us, I was of the understanding that you were willing and able to attempt to assist me with the matter and investigate what happened.

Once again, thank you for your time in considering my request. Your assistance is greatly appreciated and my running mate and I are indebted to you as without your help we will not have the opportunity to continue in this process.

Hello Kelly,

I reviewed previous communications between us. I granted you an I because of your mother's health. The last time I'd heard from you was Dec. 8, 2016, in which you said that you turned in (and I acknowledged) the first exam and that you would turn in the Kaffir Boy paper on Dec. 9. I checked through my in-box and the sent messages and have seen nothing from you. It would have been very good not to have made any assumptions. I'd have recommended checking in with me a few months ago, dropping by my office to see if I did receive your work and submitting (or resubmitting) it. Making assumptions in the work world leads to some very harsh consequences. It's terrible what's happening with you now, but the system won't let me make changes to the grade after a year; it converts to a poor grade. I wish things were different.

Sincerely,
Professor Thompson

Hello Kelly,

So far, I have two things trying to intervene. I consulted a former department chair yesterday, who agreed that your email fell through the cracks. What she's done in the past would be to get the IC reconverted to an I and then changed to a letter grade. I also reached out to the current chair. I won't say this is a done deal, but I am feeling better about all of this. I will continue to follow up. If you have the email address of the gentleman in charge of student elections, I will send him a message, too.

Hello Professor Thompson,

Thank you so much for simply attempting to help me with this situation. It means so much since I know it is not necessarily your responsibility to do so. If you need anything else from me or have any other questions I would be more than happy to assist.

I am going to give you two emails that you can reach out to if you would like more information and to let them know of the situation. There is Dave Edwards, who is the Executive Director of the Associated Students and he is the one we spoke about yesterday. His email is: u. Then there is Drew Wiley, who is the Director for Leader and Program Development and directly oversees the elections portion of the Associated Students. His email is: Both of them have been made aware of the situation and have also been assisting me in sorting this out on the student government side.

Feel free to let me know if you have any other questions and I hope you have a great rest of your day.

The SC-ICC is requesting this money to provide our teams with sports trainers for their home games. 1a. What type of program or event does your group want to host (i.e., panel discussion, film screening, speaker, conference, symposium, performance, cultural show, etc.)?

Indian Student Association is hosting their 8th Annual Culture show,

1b. What are the components that make up the event? Word limit (120)

It will be a colorful display of dance, theater, and music representing the different cultures that exist throughout India. The program will focus on a variety of dance styles and music found throughout the regions of India. The theatre portion will be utilized to provide some comedy to the audience as well as some information insight into the significance of different dance styles to their respective regions.

2. What is the purpose of the event? Please be specific. Word limit (120)
Many people believe that Indians hold too strongly to their culture and tradition and do not accept the ways of others. Some dances in our show will fuse modern song and dance from the western part of the world with the Indian culture, portraying the assimilation and blending of cultures we as second generation Indians live with today. This is especially important to our organization as most of the students in our club are second generation students who have trouble adapting to American society while keeping their Indian heritage at heart. The illustration of assimilation will be tastefully and sensitively done to promote an understanding of the trials and triumphs that Indians face and will also promote tolerance of differences within our culture.

3. What would members of the university community learn if they attend this event? List 3 specific educational and cultural outcomes of your event. Word limit (150)

Theme 1: Traditional vs. Modern Culture
The show will open with an ancient Indian dance, known as Garba, which was born out of the royal rulers of India centuries ago. This particular dance takes years to perfect, and our members will display the masculine and feminine parts of this ancient tradition. The show will end with Bhangra which encompasses the Indian culture, along with western music and dance style.

Theme 2: Festivities
The show will focus on showcasing different festivities that are celebrated throughout India. All of these festivities are celebrated through various dance styles. For instance, Garba, originating in Gujarat, is the celebration of Navratri, a nine day celebration of the Indian goddess Amba.

Theme 3: Diversity
Though India is one nation, each region of the country is very diverse and rich in its own culture. Each dance performance in the show is specifically planned to represent different regions of India. For example, Bhangra, which is a type of popular music and dance combining Punjabi folk traditions with Western pop music.

5. **What is the expected attendance?**
   a. This year: 325
   b. Last year’s verified attendance (if applicable): 300
   c. How did you verify attendance? Please explain.

   At our Spring 2017 show, we verified attendance by counting the number of ticket stubs we collected.
6. Success Rating and Criteria – RECURRING PROGRAM

a. If applicable, how would you rate the success of last year’s program on a scale from 1 (Poor) to 5 (Excellent): 5. Please explain your rating. Word limit (120)

Last years’ show was a great success. All of the performances were filled with energy and did an excellent job showcasing what Indian culture is about. There were no technical difficulties. Everything went smoothly. Our audience loved the show and gave us lots of positive feedback.

b. Please list the criteria your organization used to rate the success of last year’s event. (e.g. Attendance, Engagement, Technical Difficulties, Audience Feedback, Timing, Learning Outcomes, etc.) Word Limit (120)

We compared this show to the 2016 show and looked over everything that we did right and everything we could have improved on. Overall, we feel that our shows are getting stronger and more successful each year. Our marketing team stepped up which brought in a larger crowd. We compared our marketing strategy and created promotional videos.

c. Identify one component of the program you would like to improve.

One component of the program we would like to improve is the culture knowledge that is passed to the audience from the show. We are also re-imagining the show and are trying to put a different spin on it. We also want to improve on our marketing strategy.

d. Describe the preparation and action to improve this component. Word Limit (120)

This year, we want to be sure that the audience knows what cultures are being portrayed in each of the dances. In order to do this, we have allotted times in between each dance where our masters of ceremonies will give some background information about the dance that is about to be performed. We are also changing our marketing strategy. By advertising the show way in advance. Weekly reminders, approaching students and communicating to them on a personal basis.

7. Success Rating and Criteria – NEW PROGRAM

a. Is this a new program your group is coordinating for the first time?

b. If yes, list the criteria your organization will use to evaluate the success/failure of the program. (e.g. Attendance, Engagement, Technical Difficulties, Audience Feedback, Timing, Learning Outcomes,
8a. Please describe your marketing plan.

We will be implementing multiple tactics in order to market our culture show. We plan on using social media (such as Facebook and Twitter), printing flyers to pass out to students, and we also be handing out free culture show T-shirts to our participants so that their friends and family, especially their CSUF friends, would know about the show and hopefully would attend it. Furthermore, we will be utilizing the cultural centers on campus to promote our event.

8b. Who is the primary target audience?

Our primary audience is CSUF students because the show will be free for them.

8c. How will you reach them?

We plan on using social media (such as Facebook and Twitter), printing flyers to pass out to students, and we also be handing out free culture show T-shirts to our participants so that their friends and family, especially their CSUF friends, would know about the show and hopefully would attend it.

8d. What resources do you plan on using?

Also, we will be utilizing the Student Involvement Center, Titan Pride Center, and other campus resources and centers for marketing.

They fuse traditional and modern elements to create an intricate and inspiring on-stage performance. Every year as a closely-knit family they compete across the nation in states such as California, Michigan, Texas, Pennsylvania, and many more. Bataaka Nu Shaak had the great opportunity to be part of a feature length documentary, illuminating the cultural, social, artistic and competitive aspects of intercollegiate Garba/Raas competitions, called Raas Revolution.

**ASI Vice President, Andrew La**

Hi everyone,

**Scholarships:**
The updated number of applications we received so far is around 300 with more incoming. This will be the home stretch!! Please let everyone you know to **APPLY APPLY APPLY** for the scholarships! The deadline is TOMORROW (Tuesday, March 6 at 5pm on the dot). You can have them visit the website at: [http://asi.fullerton.edu/services#Scholarships](http://asi.fullerton.edu/services#Scholarships) and graduating seniors as well as those that finished a semester at CSUF may apply!

This last year was close to the same amount of scholarships we received (close to 350 applications last year before the extension). You'll find Alex's (ASI Executive Vice President last year's) board report on the update of Scholarships below. They were low as well and they had actually pushed to extend the deadline to the following week.
With the extension, the executive team was able to receive a total of more than 700 scholarship applications, but with that said, many students weren't able to receive the scholarships on time due to processing (which takes a while because they then had to push the schedule of grade checks, grading and then processing the checks forward). The set goals Keya, Drew and I set forth in the beginning of the academic year was to not extend the timelines for scholarships for this very reason, so that students are able to get their scholarships on the time we told them. So please let everyone know!! We want those that are selected to have their scholarships on time and not delay anyone's need for scholarships.

**ASI Banquet:**
We have a confirmed date for ASI Banquet on Friday, April 27th! We will be sending out an RSVP in the next couple of weeks, so please check your emails. And note: if you are planning to walk this semester, but will be attending classes at fall, please let us know as well. Thank you!

**Executive Director Review Committee:**
Last week on Friday, a few of us sitting in this committee sat with Sharon from HR and Dave to discuss/train on the steps of reviewing the ASI Executive Director's position for the year. More update to come when we meet again.

**Camp Titan Family Carnival with Greek Week:**
We have a date!! Sunday, April 8 will be our family carnival for Camp Titan! This has been a personal project of mine ever since last spring, after elections, to have some sort of ASI philanthropy day. What better way than to have Camp Titan (ASI's philanthropy) to be celebrated! It will be a kid friendly carnival style event game booths, activities, singing, fun, etc. I will be meeting with Panhellenic and IFC about the budgeting aspect for Greek Week. I'll update you all more with an exact schedule to invite you all as well 😊 Also, thank you Saba for the huge support ❤️

**Lights:**
I will be sending an email by the end of the week to the University Police Department about needing some lights around campus during the evenings. I have received your recommendations,
so thank you!! If you find any places that might need more lighting around campus, please don't hesitate to email me😊

**ASI Programming - Upcoming Events:**
I've attached the link below to check out some of the amazing events that programming is putting on! Go check it out!

If there's anything you need at all, please don't hesitate to reach out to me!

**ASI Chief Govermental Officer, Saba Ansari**

Hi friends!

I hope everyone's weekend went well, and y'all are ready for midterm season.

**Lobby Corps**
- We have almost all of our meetings scheduled for CHESS; we leave this Saturday and will be gone until Monday night.
- With the help of Scott, we created an online petition/forum for students to input their personal stories about the tuition increase! [https://asicsuf.wufoo.com/forms/m91osui0l231f8/](https://asicsuf.wufoo.com/forms/m91osui0l231f8/)
- Please take the time to at least yourself fill out why the Tuition Increase would affect you; it'll take 5 minutes max. We will be taking these stories to the California Legislature and giving them to the Trustees as well at the next Board of Trustees meeting.

**Personal Projects + Updates**
- I'm headed to Sacramento with President Virjee and VP Saks this Wednesday along with some other AWESOME people from University Advancement to lobby the California legislature
- CSSA is April 6-8 in Long Beach, and we will be driving back and forth so you'll still be able to make it to Spring Concert! If you're interested in attending, please let me know by this Friday.
- We've finalized two separate events for Sexual Assault Awareness Month, details to come soon
- I've met with three different people so far who are interested in the CGO position. So if you know anyone else who is interested, or if YOU are interested, I'm down to chat whenever and I'm sure the other executive officers feel the same way
- This Friday at 730 AM :, Assemblywoman Sharon Quirk-Silva is hosting a Breakfast Club in the TSU Titan Theatre with State Senate Pro Tem Kevin De Leon (who is also running for California Senate). If you're interested in attending, let me know and I can forward you the RSVP for it!

Happy Women's History Month!
One of my favorite quotes from one of my favorite strong women, First Lady Eleanor Roosevelt is, "Women are like teabags. You dont know how strong they are until you put them in hot water."

From the Vice Chair Secretary: Hello everyone,

Happy week 7! Last week we discussed a Resolution brought forth by Tristan regarding menstrual products across campus. We gave productive feedback that Tristan and Jessica can use moving forward with their work on this task.

Quick update: Unfortunately, I never heard back from City Council member Jesus Silva regarding Indigenous People’s Day.

This week and likely next I will have the committee continue having discussions concerning duties and obligations of executive officers and directors and I expect changes to be made accordingly. Nick is also planning on having a bylaw brainstorming session as well.

Let me know if you have any questions!

From the Vice Chair Treasurer: Greetings everyone! Hope your weekend was restful. My Arsenal update has reached a turn for the worst as my gunners trailed behind Brighton (2-1). They have officially lost all hope in a Champions League qualification, but hopefully they perform well in the rest of the Europa League. Here at the finance updates of the week:

• The time has finally come for budget deliberations! This week the finance committee will be reviewing and discussing all ICC’s. They were all assigned their individual colleges, assigned exec senate organization, and others.

• I met with Andrew this past week to go over the ASI banquet and we reviewed the organizing logistics and expenses together.

• We will not be having any action items this week at FC other than deliberations, but Nick has been in contact with all organizations approved by FC so they are able to present at our board meeting.

Thank you for reading these updates and please reach out if you have any questions or want a specific update on any aspect of the budget process!
**From the Chair:** Hello all,

I'm working on some bylaw changes with MacKenzie, Jesse, Jared Hill, and the exec officers. We are looking to implement some systems of accountability to ASI, add some clarity to the exec officer bylaw descriptions, and make some changes on the BOT side of things. We are also looking at some policy statement changes to director responsibilities. If you're interested in weighing in or participating let me know.

BOT Facilities and Operations Committee is meeting this Wednesday at 6pm-8pm for budget purposes.

Scholarship grading is due Monday 3/12 at 5pm.

I'm looking to bring the rough draft of the Strategic Plan for directors input to the 3/20 BOD meeting and 3/21 or 3/14 BOT meeting(s) for trustee input.

The ASI Budget should be coming to the ASI Board on 3/20 as well.

The Executive Director Evaluation Committee met last week for training and will be meeting a few times in early April to conduct Dave's evaluation.

Elections: As a timely reminder, please act with integrity and follow the rules of ASI Elections. **ASI student leaders may support individual candidates, but not while engaged in official ASI business. ASI Board of Directors or any of its boards, committees or programs cannot officially endorse candidates.** We do not want to compromise the integrity and reputation of ASI by acting unethically in the elections process. We still have March, April, and May together and have plenty to accomplish in that time. I would hate to have all the work we accomplished this year be overshadowed by any foul play or unethical behavior during elections.

If you have any questions contact Rachel Langenfeld - Elections Director - aselections@fullerton.edu or visit asi.fullerton.edu > elections

You can fill out a candidate compliant form here: [https://asicsuf.wufoo.com/forms/z1vehwwe1yafwhi/](https://asicsuf.wufoo.com/forms/z1vehwwe1yafwhi/)

Keep working hard and attending all your meetings! #reports are due at 5pm Friday!
