Additionally they are considering reaching out to existing alumni to possibly match donations.
- Bronze or Large Scale Elephant Statue – Gerboc provided historical information relating to classes looking into installing an elephant statue on campus starting back to 1995.

Gwaltney shared that she likes the idea of installing an item on campus that students can see or come back to see post-graduation. She also felt that the five year plan was a feasible option and graduates can continue to donate over the five year term.

Gelrud shared that the five year plan is interesting, and a point of consideration is opinions might change over the years. He share currently he is not very excited about the idea.

Borjas shared as a campus tour guide, the Titan letters is a huge draw and bringing something physical to campus would be great. He further echoed Gwaltney’s comments. Additionally, he shared that providing a tracking mechanism for donations would be helpful.

Dadabhoy, echoed Gelrud’s comments and suggested getting more student feedback. She shared that it would be beneficial to understand student needs and wants.

Sheriff stated that he liked the idea of a statue, but concerned with the five year plan. He also shared it would be a good idea to find a way to recognize students who donate with some sort of personal acknowledgement, like engraving names around the base of the statue.

Jimenez Perez reiterated Gelrud’s comments and shared concerns about the use of funds. She felt funds could be utilized to help students graduate (scholarships and/or donations to programs that help students personally).
Gwaltney asked about establishing a committee to evaluate the project. Gerboc shared it has been a challenge to form a committee and shared that they have used a task force in the past. Gwaltney shared in her role as CCRO she works toward finding students to serve on committees and would love to talk more about the possibility.

Titan Class Gift Program
A Legacy of Pride and Philanthropy
Why we do it

- Expression of Titan Pride
- Establish pattern & culture of giving
- Increase in alumni participation rate
Some history

• 1999 – Graduating class contributes to Becker Amphitheatre flag poles
• 2014 – 468 members of the Class of 2014 contribute to the program
  • First year program run through Office of Alumni Engagement with ASI support
  • Funds support the garden renovation beside TSU
• 2015 – 1,416 members of the Class of 2015 contribute
  • Funds are used to create seating along south side of Dan Black Hall parking lot
• 2016 – 1,702 members of the Class of 2016 contribute
  • Funds support scholarships for students in each college based on participation from each college
• 2017 – 2,480 members of the Class of 2017 contribute
  • Funds are used to support the installation of the mammoth in the TSU
Deciding what to fund

• 2014 & 2015 – Donors surveyed
  • Given option to choose between categories – something inspirational, something practical, scholarship, “other”

• 2016 – Funds determined to go back to the colleges

• 2017 – Donors surveyed
  • Given options to choose between items selected by class gift committee – water filling station, phone charging locker, elephant statue
Changing our approach

CURRENT MODEL

• PROs
  • See impact by end of the year after graduation
  • Project specifically selected to match budget

• CONs
  • Challenging to ask to donate to unknown cause
  • Finding a project after budget set = tight timeline
  • Small amounts lead to small projects
Changing our approach

5 YEAR PLAN MODEL

• PROs
  • Students know in advance where money will go
  • Larger amount of funds allows for larger, more complex project
  • Allows for potential matching/partnerships

• CONs
  • Early classes won’t see outcome right away
  • Potential of not reaching our goal
One possibility

- 1995 – ASI proposed creation of permanent life-sized bronze elephant statue for campus citing estimated cost of $168,000

- 2002-2003 – Elephant topiary shrub installed in plater east of TSU; lived for approximately 7 years before being removed due to disease

- 2011-2012 – TSC Governing Board began research on another bronze statue to replace the topiary; sculptor quoted $450,000 and 18-24 months needed to design and fabricate the piece
Next steps

• Research current pricing
  • Material
  • Size
  • Artist
  • Shipping
  • Installation

• Targeted promotion as part of class gift campaign beginning this year

Date: Fail Pass Stipulations (on back)

General Council Date: Pass Fail Table Action Number:
1a. **What type** of program or event does your group want to host (i.e., panel discussion, film screening, speaker, conference, symposium, performance, cultural show, etc.)?

The Pilipino-American Student Association (PASA) will be hosting its 31st annual cultural show, Pilipinx Culture Night (PCN).

1b. **What are the components that make up the event?** Word limit (120)

“Where the Lines Overlap,” is a production that integrates cultural and modern dances, live folk music performed by PASA members, and theatrical expression that incorporates Filipinx family values and its interpretation by other cultures.

2. **What is the purpose of the event? Please be specific.** Word limit (120)

The purpose of the event is to immerse the audience in a cultural experience that advocates Filipinx family values through a theatrical performance that showcases the culture through the eyes of both non-Filipinx and Filipinx alike. The dances incorporated into PCN provide not only a traditional expression of Filipinx culture, but also serve as a way to preserve and promote culture.

3. **What would members of the university community learn if they attend this event? List 3 specific educational and cultural outcomes of your event.** Word limit (150)

**Storytelling:**
The focus of this year’s play centers on the significance of family and the shared struggles of young adults trying to live up to their families’ expectations.

**Music:**
This year will be the first in which PASA students play the music for our cultural dances, using authentic, traditional instruments. The different provinces of the Philippines are represented in suites of dance, giving the audience the exposure to the unique sound of each region.

**Dance:**
The dances that we perform are representative of the customs encompassed by different suites.

4. **Provide an outline of the event (agenda with time-table).**

5:30 Doors open  
6:00 Pre-show  
6:30 Show starts (introduction speech, US & Philippine National Anthems, thank ASI, AICA, sponsors and Alumni)  
10:00 Curtain Call  
10:30 Show ends
5. **What is the expected attendance?**

1. This year; 900-1,000
2. Last year’s verified attendance: 660 (216 CSUF students)
3. How did we verify attendance? Please explain.
   We sold tickets through pre-sale and box office sales and we counted the tickets that were returned throughout the night of PCN. CSUF students got in for free with their Titan Card and cards were counted as well.

**Success Rating and Criteria – RECURRING PROGRAM**

a. If applicable, how would you rate the success of last year’s program on a scale from 1 (Poor) to 5 (Excellent): 4. Please explain your rating. Word limit (120)

Despite minor mishaps during the actual performance, the overall show was an overall success. Last year’s program received high praise from alumni, family, and CSUF students in terms of theatrics, cultural dancing, and the accuracy of cultural concepts portrayed in both.

b. Please list the **criteria** your organization used to rate the success of last year’s event. (e.g. Attendance, Engagement, Technical Difficulties, Audience Feedback, Timing, Learning Outcomes, etc.) Word Limit (120)

**Attendance:**
660 people attended last year’s PCN which was more than the 637 people that attended previously. The largest recorded PCN attendance was 1,001 and we aim to surpass that record.

**Audience Feedback:**
Last year we received helpful feedback for the issues in the story and dances performed. We were also able to implement feedback we received from previous years to improve our dances, and we aim to continue doing so this year and for future productions.

**Production Quality:**
Our communication with the staff at Haugh Performing Arts Center at Citrus College was strengthened by our relationship with them from previous years. This helped the show run
smoothly because the staff already knew what we needed for a successful show.

c. Identify one component of the program you would like to improve.

A component that PASA would like to improve is the location of the event to accommodate CSUF students, as in the past our venue was not as close to the school as we would’ve liked.

d. Describe the preparation and action to improve this component. Word Limit (120)

This year we are having PCN at La Mirada Theatre for the Performing Arts which is closer to school than where we had it in the past.

6. Success Rating and Criteria – NEW PROGRAM
   a. Is this a new program your group is coordinating for the first time?

No, this will be the 31st annual PCN.

   b. if yes, list the criteria your organization will use to evaluate the success/failure of the program. (e.g. Attendance, Engagement, Technical Difficulties, Audience Feedback, Timing, Learning Outcomes, etc.) Word limit (120)

8a. Please describe your marketing plan.
We will be marketing our PCN through communication with internal organizations, use of social media, and sponsorships from the local community. Our efforts will be directed heavily toward on-campus mediums such as fliers, posters, stakes, and the Daily Titan, to boost attendance from our fellow students.

8b. Who is the primary target audience?
Our primary target audience is CSUF students and faculty - especially those belonging to AICA and/or Greek organizations and cultural studies’ departments. We will also reach out to local businesses, as well as external Pilipino-American organizations throughout northern and southern California.

8c. How will you reach them?
Marketing for the CSUF community will be done through social media, fliers and stakes throughout campus, and word-of-mouth. We will also be utilizing the Daily Titan and the Asian Pacific American Resource Center to publicize our event. As for the external community, publicity comes from local businesses where we will display fliers and posters, and from communication with our external organizations.

8d. What resources do you plan on using?
-Social media
-Staking around campus
-Fliers/posters
-Diversity Initiatives and Resource Centers
-Daily Titan
9. List your organizational leadership.

### 1a. What type of program or event does your group want to host (i.e., panel discussion, film screening, speaker, conference, symposium, performance, cultural show, etc.)?

We would like to host our 10th annual cultural show, a yearly tradition showcasing performances pertaining to the Chinese and Chinese-American culture.

### 1b. What are the components that make up the event? Word limit (120)

There will be two main components to our culture night: the play and the cultural performances. With 18 scenes, the play will take up a majority of the showtime. In between every 3-4 scenes, we will have short performance pieces such as traditional fan and ribbon dancing, lion dancing, and wushu.

### 2. What is the purpose of the event? Please be specific. Word limit (120)

Aside from enrolling in an Asian-American studies class, there aren’t many other ways to learn specifically about the Chinese or Asian cultures. We hope our cultural show can supplement what is already commonly known about Chinese-Americans as well as spread awareness about what it means to be Chinese-American. The purpose of the event is to celebrate and educate the audience on Chinese culture and values. As this year marks a decade of culture nights for our organization, we would really like to improve the visual aspects of our show, including acting props, dance uniforms, lighting, backdrops, etc. We believe that a stronger focus on visuals will better engage the audience and more accurately showcase the Chinese culture.

### 3. What would members of the university community learn if they attend this event?

List 3 specific educational and cultural outcomes of your event. Word limit (150)

- Our culture night play each year centers around a theme which corresponds to important values held by the Chinese and Chinese-Americans. This year, our play revolves around a teenage boy who travels back in time to ancient China and helps a prince reclaim his kingdom from an evil emperor. The story will portray highly regarded traditional cultural values of the Chinese, such as harmony, benevolence, righteousness, loyalty, and filial piety.
- Aside from values, our play this year takes place in a historical setting so the audience can get some insights about China’s history such as the feudal system and significance of dragons.
- Finally, attendees can learn about the historical significance of traditional Chinese dances, their purpose, and what they are used to convey. The dance pieces will allow our performers to tell stories visually and audibly through traditional Chinese dress, body motions, and music.
4. Provide an outline of the event (agenda with time-table).

5. What is the expected attendance?
   a. This year: 200
   b. Last year’s verified attendance (if applicable): 90
   c. How did you verify attendance? Please explain.

   We verified audience turnout at the door through the use of free admission tickets handed out to attendees. By tracking the number of tickets claimed, we could calculate how many people were in attendance.
5. **Success Rating and Criteria – RECURRING PROGRAM**
   a. If applicable, how would you rate the success of last year’s program on a scale from 1 (Poor) to 5 (Excellent): 3. Please explain your rating. Word limit (120)

   Taking into consideration various factors, we determined the show to have an average rating of 3. Overall, the performances went smoothly but there were some hiccups along the way. We didn’t have a full rehearsal run-through so many of the performers were onstage for the first time during the actual show. Some of our performers also struggled with makeup and hair. We realized that we were 1 lavalier short so two of our actors had to share a mic throughout the duration of the play. The pre-show portion took up ¼ of the entire event and didn’t really serve the purpose of our show. The transition time between scenes and traditional dances took longer than planned. Attendance was also much lower than expected: 90 instead of the planned 250.

   b. Please list the criteria your organization used to rate the success of last year’s event. (e.g. Attendance, Engagement, Technical Difficulties, Audience Feedback, Timing, Learning Outcomes, etc.) Word Limit (120)

   The criteria we used to judge the success of our show last year is:
   - Audience Attendance
   - Member Participation & Retention
   - Adherence to Theme & Purpose of the Show
   - Organization & Execution of Performances (ex. Technical Difficulties, Transition Time between Scenes, etc.)

   c. Identify one component of the program you would like to improve.

   One component of the program we’d like to improve is member participation as well as audience attendance.

   d. Describe the preparation and action to improve this component. Word Limit (120)

   In order to encourage our members to participate in the show, we decided to add new components such as stage ninja, stage combat, and contemporary dance. We also decided to host our mini culture night extra early in October instead of in December last year. That way, the new members joining our organization can learn about our event first-hand by seeing the performances. Our decision was a success as we had the highest number of audience turnout compared to the previous nine and we also had a much higher number of sign-ups compared to last semester.

6. **Success Rating and Criteria – NEW PROGRAM**
   a. Is this a new program your group is coordinating for the first time?

   No, this will be our 10th year hosting the annual cultural show.

   b. if yes, list the criteria your organization will use to evaluate the success/failure of the program.
8a. Please describe your marketing plan.

This year, we have worked to maintain and build our relationships with other cultural clubs both on campus and off campus. By collaborating with these organizations, we hope to promote our culture night event to multiple student populations around the area. For example, we are working with students from our own theatre department for our play and we also have performers from our school’s Nikkei Student Union and from UC Irvine.

In addition to focusing on specific student and cultural organizations, we also plan to reach a more general and larger audience base using social media to promote our show through the use of event pages, digital flyers, videos, etc.

8b. Who is the primary target audience?

The primary target audience will be members of the CSUF community, especially the Chinese and Chinese-American demographics. Other audience groups we wish to reach out to would be similar student or cultural organizations outside of campus and residents of the Orange County/Los Angeles community.
8c. How will you reach them?

We plan on reaching our target audiences through word-of-mouth, flyers, posters, social media, and campus resources.

8d. What resources do you plan on using?

We will promote our culture night show to other cultural clubs and organizations within the school through word-of-mouth. We will also utilize campus resources such as the school website, poster boards, and various resource centers to advertise our event and further increase our outreach to the CSUF community. If permitted, we will be handing out promotional flyers during our events and fundraisers as well.

QUESTIONS
From the Vice Chair Secretary: My report this week will be as follows:

Hi everyone, hope you are having a good day! This week Governance committee will be cancelled, but we will meet at the same time in order to work on making changes to the bylaws with consideration of our discussion we had last week. I determined that the most efficient way to do this is to work on these changes and then bring them to committee to discuss/vote all at once, in lieu of using more meeting time to discuss the bylaws themselves.

There are no pressing items regarding resolutions or policy statements. We did, however, approve a policy concerning research grants last week in the new format without making any significant changes. This will be at BOD next Tuesday.

Let me know if you have any questions. Thank you!

From the Vice Chair Treasurer: Greetings my lovely ASI comrades!
Arsenal is making a comeback with two wins this past week. Here are the Finance Committee points this week:

- The Finance Committee met and went over budget deliberations this past Thursday from 1:15 pm - 3:45 pm. The meeting was very cohesive and the committee members had strong insight to give for any changes in an individual council's budget.
- This week we will be continuing deliberations by going over the ASI Operations Budget.

Thank you for your cooperation and I'm looking forward to reporting back more information on the overall budget results!

From the Chair: Happy week 8!

Congrats to the CSUF Men's Basketball team on winning the Big West Conference Tournament and making it to the March Madness Tournament! They play Purdue, in Detroit, on Friday!
Still working on the bylaw changes with MacKenzie, Jesse, Tristan, Kyle, Jared, and the exec officers. We are still looking to implement some systems of accountability to ASI, add some clarity to the exec officer bylaw descriptions, and make some changes on the BOT side of things. We are also looking at some policy statement changes to director responsibilities. If you're interested in weighing in or participating let me know.

Informal Retreat happening this weekend - more details to follow.

Scholarship grading is now due Monday 3/19 at 5pm.

Strategic Plan going to BOT on 3/14 meeting for trustee input.

The ASI Budget, TSC Budget, and a Draft of the Strategic Plan should be coming to the ASI Board on 3/20.

Spring concert is on 4/7/18 - artist TBD

It’s *still* * Election Szn! Please vote and encourage students vote from March 13th - 15th online at vote.fullerton.edu

Elections: As a timely reminder, please act with integrity and follow the rules of ASI Elections. **ASI student leaders may support individual candidates, but not while engaged in official ASI business. ASI Board of Directors or any of its boards, committees or programs cannot officially endorse candidates.** We do not want to compromise the integrity and reputation of ASI by acting unethically in the elections process. We still have March, April, and May together and have plenty to accomplish in that time. I would hate to have all the work we accomplished this year be overshadowed by any foul play or unethical behavior during elections.

If you have any questions contact Rachel Langenfeld - Elections Director - aselections@fullerton.edu or visit asi.fullerton.edu > elections

You can fill out a candidate compliant form here: [https://asicsuf.wufoo.com/forms/z1vehwwe1yafwhi/](https://asicsuf.wufoo.com/forms/z1vehwwe1yafwhi/)

Keep working hard and attending all your meetings! #reports are due at 5pm Friday!

Spring break is 3/24/18 - 4/1/18, we are almost there!
