Torres asked if the group did any fundraising.

Julian stated that they did not do any fundraising.

Torres asked if the student groups are required to give any portion of their fundraising efforts to ASI.

Lawrence stated that if the group is officially recognized by the University and have an Agency account, the group keeps 100% of the proceeds.
Torres asked if there was a minimum amount that was required for clubs/organizations to open an Agency account.

Lawrence stated that the minimum deposit required is $50.

Torres asked if it was okay for the groups to sell items on campus.

Lawrence stated that the group would have to work with the Student Life & Leadership department.

Borjas asked if a student goes to a conference in the fall as a participant and receives $250, could the student receive another $250 in the spring as an active participant at a conference.

Lawrence stated that the policy is unclear and needs to be redefined.

Jakel suggested sending a survey to the ICC's to ask about the new travel limitations with the $250 for non-active participation and $500 for active participation maximums.

Julian stated that there will be an off-campus request by the Indian Student Association (ISA) that will be coming to a future meeting.
