1. BOARD CONDUCT

a. Non-Conflict of Interest

In accordance with California Education Code, Sections 5230, 5233, 89906, 89907, 89908 and 89909, all ASI Board of Directors members must submit a Certification of Non-Conflict of Interest Statement as outlined below:

I have read California Education Code Sections 5230, 5233, 89906, 89907, 89908 and 89909, and I am not involved financially, through employment or family connections, with any business, firm, vendor, and/or service bureau doing business with this corporation.

Should I find in some future contractual matter before the Board of Directors that there may be the potential of a conflict of interest, I shall disclose that potential conflict and abstain from voting, as prescribed in Education Code, Section 89907.

This Non-Conflict of Interest Statement shall be submitted at the time a member assumes their official duties. Statements shall be retained in the ASI Administrative Office.

b. Ethics

Introduction

This code will serve as a minimum guide for ethical conduct and provide guidance and direction for all officers, directors, employees, and volunteers of ASI (collectively referred to herein as members or member) in the performance of their duties or in any context in which they are perceived as representing ASI.

Laws and Regulations

All members must comply with applicable laws and regulations governing the operation of ASI. This includes, but is not limited to, federal, state, county and municipal laws, the California Code of Regulations, the California Education Code, campus regulations of California State University Fullerton, and the Office of the Chancellor, California State University.

Conflict of Interest

Members must avoid conflicts of interest. Business decisions must be made objectively on the basis of price, quality, service and other competitive practices. To avoid any potential influence from existing or potential vendors and customers, members are prohibited from accepting gifts, from vendors, suppliers, and customers, of more than token value.

Members transacting business or entering into contracts on behalf of ASI must not have any interest, financial or personal, in those transactions or contracts. Should a member have an interest in an organization with who the ASI transacts business, the member must recuse themselves from any negotiation, authorization, or approval of such transactions.

In addition, ASI Executive Officers and members of ASI governing boards must comply with conflict of interest regulations as defined in ASI Policy.

Members must not be employed outside ASI where the outside employment impairs their ability to conduct ASI business because of conflicts of interests and competing interests.

Anti-discrimination Policy

Members must not take actions that discriminate against anyone on an unlawful basis, including gender, race, religion, color, national origin, sexual orientation, medical condition, age, physical or mental disability, marital status or family leave status.

Public Disclosures

If members in the course of their duties are called to make public disclosures to any governmental agency, under no circumstances can statements be made that are untrue, or omit or misstate material facts.

If public disclosures are made to the press, members must seek to insure that the statements are clear and understandable and not misleading.

All official business of ASI done on a personal device may be subject to subpoena.

Confidentiality

Members must protect ASI confidential information and not divulge such to anyone except on a need-to-know basis. Members are expected to keep in confidence such information that would be considered confidential even if not clearly marked. This would include, but not be limited to, personal addresses, social security or other identification numbers, payroll records, performance evaluations, and/or personal information. All members must refrain from using personal devices to relay confidential information.

Respect

Members must work effectively with coworkers, customers and others by sharing ideas in constructive and positive manner; listening to and objectively considering ideas and suggestions from others, keeping commitments, keeping others informed of work progress, timetables and issues, addressing problems and issues constructively to find mutually acceptable and practical business solutions, addressing others by name, title or other respectful identifier and respecting the diversity of our work force in actions, words and deeds. Members must be able to work effectively within a complex organizational setting and a multi-cultured campus environment. Members must be able to establish and maintain effective, cooperative, and harmonious relationships with students, staff, co-workers, faculty, alumni and the general public.

Fair Dealing

Behind any code of ethics is the concept of fair dealing. As a guiding principle, members must respect and deal fairly with customers, suppliers, vendors, contractors, co-workers, and the general public. In the course of conducting ASI business, members must not take advantage of others by misrepresentation, concealment, misuse of confidential and privileged information, or any other practice of unfair dealing.

Members must not disclose a vendor's pricing or business activities to competitors. In the course of business, all members must refrain from any practice that could constitute unfair dealing. At all times, members must be accurate and truthful in all their dealings with vendors, suppliers, and customers and be careful to accurately represent the services and products of ASI.

c. Fraud

ASI policy on fraud is established to prepare procedures that will protect ASI, its employees, and assets against losses stemming from illegal activities. ASI has a zero tolerance policy regarding such activities. ASI forbids the commission of any illegal activity by an officer, director, employee, or volunteer of ASI (collectively referred to herein as members or member).

The management of ASI is responsible for the establishment of procedures designed to prevent and detect fraudulent activity, including but not limited to fraud, defalcation, misappropriation, forgery, and corruption.

Reporting Responsibility

Each member of the management team will be familiar with the types of improprieties that might occur within their area of responsibility, and be alert for any indication of irregularity.

In the event a member detects or suspects fraudulent activity, that member must immediately report this to the Executive Director. The Executive Director will inform the ASI Board of Directors and the CSUF Director of Internal Auditing within twelve hours once the incident is brought to their attention.

In the event a member detects or suspects fraudulent activity on the part of the Executive Director, that member must immediately report this to the University Risk Manager.

Any reprisal against any individual reporting violations of this policy is prohibited. Any cover-up of a suspected incidence or retaliation in any form against witnesses is also prohibited.

Investigating Suspected Fraud

The Executive Director or designee in an investigation of fraud will have:

- Free and unrestricted access to all ASI records and premises, whether owned or rented
- The authority to examine, copy, and/or remove all or any portion of the contents of files, desks, cabinets, and other storage facilities on the premises without prior knowledge or consent of any individual who might use or have custody of any such items or facilities when it is within the scope of the investigation.

Any information received by ASI in the course of an investigation will be treated in confidentiality. As such, any employee should notify the Executive Director (or CSU Fullerton Risk Manager, in the case of suspected fraudulent activity by the Executive Director) and not engage a suspected individual or conduct a personal investigation.

Information discovered during the course of an investigation will be disclosed or discussed only with individuals on a need-to-know basis. Confidentiality must be enforced to avoid damaging the reputations of persons under suspicion who are found innocent of wrongdoing.

No information concerning the status of an investigation will be given out. The proper response to any inquiry is, "I am not at liberty to discuss this matter." Under no circumstances should any reference be made to "the allegation," "the crime," "the fraud," "the forgery," "the misappropriation," or any other specific reference.

Upon completion of the investigation, the Executive Director will file their report with the CSU Fullerton Director of Internal Auditing and the ASI Board of Directors.

Decision to prosecute or refer the matter to law enforcement officials will be made in conjunction with legal counsel, ASI Executive Director, and the CSU Fullerton Director of Internal Auditing.

Termination

If an investigation results in a recommendation to terminate the employment of an individual, the recommendation will be reviewed for approval by ASI Human Resources and legal counsel. The policy will be reviewed annually and revised as needed.

d. Whistleblower Protection

ASI policies on Ethics and Fraud require directors, officers, employees and volunteers (members) to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. All members of the organization must practice honesty and integrity in fulfilling their responsibilities.

Reporting Responsibility

It is the responsibility of all members to comply with the policies and to report violations or suspected violations in accordance with this Whistleblower Policy. ASI encourages initial reporting to occur internally to allow for expeditious resolution of all such matters and to minimize the effects of improper actions.

Reporting Violations

The Whistleblower Policy addresses the organization's open-door policy and suggests that members share their questions, concerns, suggestions, or complaints with someone who can address them properly. In most cases, a member's supervisor is in the best position to address an area of concern. However, if the member is not comfortable speaking with their supervisor or is not satisfied with their supervisor's response, then they must speak to the Director of Human Resources. The supervisor and/or Director, Human Resources is required to report this notification to the Executive Director upon receipt. The Executive Director or designee will conduct an investigation of the reported concern. In the event that a concern involves fraud, then it must be directly reported to the Executive Director who has the responsibility to investigate all reported violations of policies.

Handling of Reported Violations

The Executive Director will notify the sender and acknowledge receipt of the reported violation or suspected violation within one business day. All reports will be promptly investigated and appropriate corrective action will be taken if warranted by the investigation. If the concern involves an incident of suspected fraud, defalcation, or other irregularity concerning corporate assets, the Executive Director will notify the Chair of the Audit Committee, Chair of the Board of Directors, and the CSUU Fullerton Director of Internal Audit in writing within twelve hours of receipt and work with the ASI Audit Committee until such matter is resolved. All concerns involving the Executive Director shall be directly reported to the CSU Fullerton Risk Manager.

No Retaliation

No member, who in good faith reports a violation of the policies, shall suffer harassment, retaliation, or adverse employment consequence. A member who retaliates against someone who has reported a violation in good faith is subject to discipline up to and including termination of employment. This Whistleblower Policy is intended to encourage and enable members to raise serious concerns within the organization prior to seeking resolution outside the organization.

Acting in Good Faith

Anyone filing a complaint concerning a violation or suspected violation of the policies must be acting in good faith and have reasonable grounds for believing the information disclosed indicated a violation of the Policies. Any allegations that prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

Confidentiality

Violations or suspected violations may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of violations or suspected violations will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

POLICY CONCERNING INVESTMENTS AND RESERVES

PURPOSE

The Associated Students Inc. (ASI) is entrusted with the management and operation of a number of vital student activity and campus service programs, including the Titan Student Union, the Student Recreation Center, and the Children’s Center. Critical to the management of a comprehensive program like ASI is effective long-term financial planning. At the direction of the California State University’s Chancellor, auxiliary organizations such as ASI are required to establish and maintain adequate reserve funding. These reserves are intended to meet the potential and anticipated business and operational needs of ASI. The purpose of the policy is to provide guidance on the accumulation and maintenance of reserves and the implementation of investment practices that provide for the growth and security of these designated funds. Additionally, the policy sets standards for continual financial support for the Children’s Center, interest earned on ASI restricted scholarship accounts, and deposit of ASI Funds/Investments and signing authority.

STANDARDS

1. CORPORATE INVESTMENTS

a. *Finance Goals and Investment Objectives*

Investment objectives are to effectively diversify, preserve and grow funds consistent with a reasonable level of risk. Investment strategies shall emphasize protecting principal from inflation, interest rate and market risk while maximizing return. The following considerations will apply to the construction and on-going management of funds.

Financial Goal: Real growth of principal and income

Risk Tolerance: Moderate

Time Horizon: Long term to perpetual

Tax Status: Exempt

Investment Objective: Growth and Income

b. *Socially Responsible Investing*

ASI is committed to being a responsible investor. ASI supports the view that responsible management includes consideration of environmental, social, and governance issues and that such management must be practiced by companies in order to be included in the portfolio.

The [Investment Finance](#) Committee will have responsibility for determining what constitutes socially responsible investing. Should the [Investment Finance](#) Committee determine a company does not qualify for portfolio selection or retention, it shall forward its recommendation to the ASI Board of Directors for consideration. The Executive Director will communicate action taken to the investment manager.

Subject to this restriction, the investment manager will have sole responsibility for selecting portfolio companies in accordance with the investment objectives and guideline herein.

c. *Guidelines for Investments*

Assets of retirement funds will at all times be managed in compliance with all standards of the Employees Retirement Income Security Act. Invested funds will be managed on a total rate of return basis. Total rate of return consists of dividends, interest and any net increase/decrease in market value of the securities for the fiscal year. Distributions may be taken from income, principal or both. Risk shall be managed on an overall portfolio basis rather than by the security concerns of the individual security. Funds shall always be managed in such a manner as to protect principal from the impact of short and long-term inflation. Sufficient liquidity shall be maintained to accommodate necessary distributions.

Diversification

The investment manager will seek to diversify funds across asset classes, market sectors, and individual securities to reduce portfolio risk. The standards of the "Prudent Investor Rule" will apply to the selection of all securities.

d. *Asset Allocation*

Guideline asset allocation target and ranges are as follows:

	Range	Target
Cash	00 – 30%	05%
Fixed Income	30 – 60%	35%
Equity	30 – 70%	60%

The actual asset allocation, within ranges set by this policy, will be at the discretion of the investment manager.

Allowable Investments

Investment vehicles shall be limited to the following:

- Money market and cash equivalents
- Certificate of deposits
- U.S. Government agency obligations
- U.S. Treasury obligations
- Corporate investment grade bonds (BBB or better, Standard & Poor's)
- Corporate Commercial paper
- Mutual Funds and Exchange Traded Funds (ETFs)
- American Depository Receipts
- Mortgage backed instruments
- Common stock
- Preferred stock

e. Direction for Plan Portfolio Securities

Equities

The quality of equity securities may vary dependent on the objective for that security within an overall portfolio. However, at all times, standards of the prudent investor rule will apply when determining the minimum acceptable quality. Mutual funds of ETFs may be used when appropriate for diversification.

No issue shall comprise more than 10% of the equity portion of a portfolio or 5% of the total market value of a portfolio, whichever is larger.

An equity portfolio may be invested in a mix of large, medium, and small capitalization stocks and international securities. International equities shall not comprise more than 25% of an equity portfolio.

Fixed Income Securities

Nothing below investment grade bonds as defined by Moody's and Standard & Poor's will be utilized in a portfolio.

No issue shall comprise more than 10% of the fixed income portion of a portfolio or 5% of the market value of a total portfolio, whichever is larger except for US Treasury or government agency obligations, which have no concentration restrictions. Mutual funds of ETFs may be used when appropriate for diversification.

f. Guidelines for Transactions

Except under unusual circumstances, all transactions should be entered into on the basis of best execution, which means best realized net price.

g. Monitoring of Objectives and Performance

All objectives and policies are in effect until modified by the [Investment Finance](#) Committee who will review them with the investment manager at least annually for continued appropriateness. If at any time, the investment manager believes that any policy guideline inhibits investment performance, they shall communicate this view to the [Investment Finance](#) Committee.

The investment manager shall meet with the [Investment Finance](#) Committee to communicate investment strategy and market outlook at least annually or more frequently as desired by the [Investment Finance](#) Committee.

The investment objective is to obtain a minimum total annual rate of 5% plus the rate of inflation. Recognizing the volatility of equities and securities, it is understood that this objective may not be met on an annual basis. However, it is expected to be achieved when measured over a longer period of time.

The investment manager is expected to produce a total annual return that exceeds the median of a universe of investments with similar average asset allocation objectives and risk profile. Accordingly, performance will be measured against established benchmarks. For equities this will be the Standard & Poor's 500 Index. For fixed income securities, the benchmark will be the appropriate Barclays U.S. Government/Credit 1-5 Year Index.

2. INVESTMENT OF WORKING CAPITAL FUNDS

The primary objectives of the investment of working capital are to provide:

- Safety and protection of funds.
- Appropriate liquidity of funds
- Maximum return on invested funds

In accordance, ASI shall limit its investment of working capital funds to the following institutions:

- Banks doing business in the State of California and whose accounts are fully insured by the Federal Deposit Insurance Corporation
- Savings & Loan Associations doing business in the State of California and whose accounts are fully insured by the Federal Savings & Loan Insurance Corporation
- Federal or State Credit Unions doing business in the State of California and whose accounts are fully insured by the National Credit Union Administration
- Trust accounts of the centralized California State Treasury System

At the beginning of each fiscal quarter, the ASI Executive Director shall report to the ASI Board of Directors the status of all invested funds to include the type, location, amount, and expected return on investments.

3. CHILDREN'S CENTER INVESTMENT ACCOUNT

a. Goals and Objectives

The Children's Center Investment Account shall be managed and invested as a specific ASI restricted account to enable ASI to financially serve a specific need of the present and future CSU Fullerton students, educational opportunities for expanded preschool careers and serve the campus community with quality daycare.

b. Investment and Administration

The Children's Center Investment Account shall be actively managed pursuant to this policy. The ASI Board of Directors empowers the [Finance & Investment](#) Committee to review status, accountability, and requests for withdrawals at regular meetings established at least semi-annually.

c. Purpose of Finance & Investment Committee

For the Children's Center Reserve, the [Finance & Investment](#) Committee shall:

- Review and evaluate investments made by an active investment manager,
- Select, annually, an investment manager,
- Evaluate and forward to the ASI Board of Directors its approval or disapproval of all withdrawal requests,
- Report annually to the ASI Board of Directors the status and projections of the financial condition of the Children's Center Reserve and assess and evaluate the projected capital needs of the Children's Center.

4. RESTRICTED SCHOLARSHIP INVESTMENT ACCOUNTS

This policy is designed to establish a procedure for the distribution of interest earned on restricted ASI Scholarship Accounts.

a. *Interest Earned on ASI Restricted Scholarship Accounts*

Each quarter the ASI [Controller-CFO](#) or designee shall compute earned interest for each restricted ASI Scholarship Account based on the current balance in each account. Accounting staff shall then credit the computed interest amounts to the appropriate accounts.

When the donor places limitations or restrictions on the use of the funds donated, ASI is governed by the intent of the donor (external donor); therefore, the funds must be expended for the purpose(s) indicated.

5. DEPOSIT OF ASI FUNDS/INVESTMENTS AND SIGNING AUTHORITY

The ASI Executive Director shall annually present to the ASI Board of Directors for its review and action a listing of the financial institutions with which ASI/TSC bank/investment accounts are held. Additionally, the Executive Director shall provide the names and titles of individuals proposed as authorized check signers on all such accounts.

6. RESERVES

To provide the Board of Directors with sufficient funds with which to address contingencies, emergencies, budgetary impacts; and, at the same time, to have adequate working capital to maintain programs, meet obligations, and other priorities of the Corporation, the Board establishes this policy.

The establishment and maintenance of fully funded, board-designated reserves is a high priority. The purpose of these reserves is to ensure the stability of the mission, programs, employment, and ongoing operations of ASI. Reserves are intended to provide an internal source of funds for situations such as a sudden increase in expenses, one-time unbudgeted expenses, unanticipated loss in funding, or the occurrence of catastrophic events. Reserves will be maintained for both the Associated Students fund and the Titan Student Centers fund as indicated below. The Board of Directors bases this policy on generally accepted good business practices and requirements for adequate reserves and capital as required in the Education Code, Section 89904 (b).

7. ASSOCIATED STUDENTS RESERVES

The following reserves will be maintained in the financial records and accounts of the Associated Students fund and will be funded from retained earnings. In the event any of the following reserves fall below their targeted reserve levels, the shortfall must be eliminated within a minimum of five years, with at least one fifth of the deficit balance being funded in the each of the fifth subsequent years' operating budgets, until the reserve is restored to the target balance. Modifications to this funding plan must be proposed by the Executive Director and approved by the Board of Directors no later than the last meeting of the fall semester.

a. *Reserve for Catastrophic Events*

The Reserve for Catastrophic Events will be maintained to satisfy insurance deductibles and self-insured retentions for possible claims made against the Associated Students. This reserve will be funded at an amount equivalent to the total cost of all specified deductibles and required retentions indicated in the annual "Summary of Insurance" provided by the California State University Risk Management Authority (CSURMA).

b. Reserve for Equipment Replacement

The Reserve for Equipment Replacement will be maintained to provide a funding source for the emergency replacement of furniture and equipment not funded in the annual operating budget of the Associated Students. This reserve will be maintained at an amount equivalent to the projected amount of depreciation expense for the coming fiscal year. This reserve will also be used to accumulate funds budgeted for capital expenditures that were not utilized in a given fiscal year.

c. Reserve for Loss of External Funding

The Reserve for Loss of External Funds will be maintained to provide for the organized transfer or termination of programs funded by multi-year grants and contracts in the event that a grant or contract is eliminated, cancelled, or not renewed. The target level for this reserve will be an amount equivalent to 50% of the total revenue received from all grants and contracts as reported in the most recent audited financial statements of the Associated Students fund.

d. Reserve for Working Capital

The Reserve for Working Capital will be maintained to provide cash on hand to meet operating expenditures during those times when expenditures may precede revenue. This reserve will be maintained at a level not to exceed 25% of the prior year's income from operations.

e. Reserve for Children's Center

The Reserve for [the Children's Center](#) will be maintained to insure there are funds for future repairs, replacements, and operation of the Children's Center physical structures, hardscape, and landscape, as well as the replacement of furniture, fixtures and equipment. The target for this reserve is to reach \$2,000,000 and to maintain at least that balance in perpetuity to meet the future projected capital expenses of the Children's Center. This objective may be increased as reevaluated by the [Investment-Finance](#) Committee and approved by the majority of the ASI Board of Directors.

8. TITAN STUDENT CENTERS RESERVES

a. Local Reserves

The following reserves will be maintained in the financial records and accounts of the Titan Student Centers fund and will be funded from retained earnings. In the event any of the following reserves fall below their targeted reserve levels, the shortfall must be eliminated within a minimum of five years, with at least one fifth of the deficit balance being funded in the each of the five subsequent years' operating budgets, until the reserve is restored to the target balance. Modifications to this funding plan must be proposed by the Executive Director and approved by the Board of Directors no later than the last meeting of the fall semester.

Reserve for Equipment Replacement

The Reserve for Equipment Replacement will be maintained to provide a funding source for the emergency replacement of furniture and equipment not funded in the annual operating budget of the Titan Student Centers. This reserve will be maintained at an amount equivalent to the projected amount of depreciation expense for the coming fiscal year. This reserve will also be used to accumulate budgeted capital expenditures not utilized in a given fiscal year.

b. University-Held Reserves

The Titan Student Centers Reserve Funds are governed under Executive Order 994, Critical Requirement Reserves, which states the campus is responsible for developing reserve policies that, at a minimum, address major maintenance, renovation projects, working capital, capital development for new projects, and catastrophic events. The establishment of the following reserves is intended to provide a mechanism for the maintenance and application of the TSC funds held by the University in a prudent and sustainable manner.

Reserve for Economic Uncertainty

The Reserve for Economic Uncertainty will be maintained to help manage the consequences of cyclical state recessions and to support year-to-year consistency in the operations of the Titan Student Union and Student Recreation Center. The target level for this reserve is to accumulate a minimum of three months, and a maximum of six months, of the annual operating budget for the TSU and SRC.

TSC Repair and Replacement Fund

The TSC Repair and Replacement Fund is established to provide for facility repairs and replacement of equipment and to provide a funding source for emergency and long-term repairs, deferred maintenance, and possible future expansion of Titan Student Centers facilities, which if entirely funded from an annual operating budget, would result in a significant deficit. Annual transfers will be made to this reserve at a minimum level of 5% of prior year's revenue from mandatory student fees.

TSC Catastrophic Fund

TSC Catastrophic Fund provides funding in the event of unanticipated events that may negatively impact operation of the TSC. Such a catastrophe could be the result of a natural disaster to structures, or damage to campus infrastructure that could result in temporary reduction in enrollment. The catastrophic fund should be maintained at a level equal to approximately 10% of the insurable value of TSC facilities, which would allow the organization to cover the deductible payment in case of a catastrophic event.

9. FUNDING RESERVES

Unless otherwise specified above, funding for reserves will be derived primarily from retained earnings. Should retained earnings be insufficient to fund reserves at the levels prescribed above, an allocation must be included in the following year's operating budget to add to the reserves. As determined appropriate by the Board of Directors, earnings from projected operations, student fees, and interest income may be designated to fund reserves. Allocations from the operating budget to reserves must continue until minimum target levels are reached.

10. ANNUAL REVIEW OF RESERVE FUNDING

a. Associated Students Reserves

Annually, following the independent audit, the Executive Director will submit recommendations for reserves funding and use to the [Finance](#) Committee for approval.

Upon approval from the Board of Directors, the reserves will be recorded into separate accounts on the financial records of ASI.

b. Titan Student Centers Reserves

Annually, during the budget process, the Executive Director will submit recommendations for reserves funding and use to the [Finance](#) Committee for approval.

Upon approval from the Board of Directors, the reserves will be recorded into separate accounts on the financial records of the TSC at the beginning of each fiscal year.

Expenditures from reserve accounts not identified during the annual budget process require the [Finance](#) Committee's and subsequently the Board of Directors' approval prior to implementing transactions.

Per CSU Chancellor's Office Executive Order 994, at a minimum of once every three years, each campus shall conduct an in-depth review to assess the adequacy of the reserves and the campus reserve policies applicable to the projects funded by debt, and shall make necessary adjustments and changes to account for changing conditions. For Major Maintenance and Repair/Capital Renovation and Upgrade Reserves,

the reviews should include formal studies of facility systems and necessary funding levels to cover all aspects of cost of replacement through the reserve-funding plan.

11. USE OF RESERVES

The Executive Director and staff will identify the need for use of reserves and confirm that the use is consistent with the purpose of the reserves as described in this policy. This will include an analysis of the reason for any shortfall, the availability of any other sources of funds before using reserves, and an evaluation of the time period that the funds will be needed and replenished.

a. Authority to Use Reserves

The Executive Director, in consultation with the Board of Directors, is delegated authority to use reserves for emergency projects requiring immediate attention. The use of reserves will be reported to the Board of Directors at their next scheduled meeting, accompanied by a description of the analysis and determination of the use of funds and plans for replenishment to restore the reserve fund to the target minimum amount. The use of reserves for any other purpose will require the approval of the Board of Directors by a 2/3 majority vote.

b. Reporting and Monitoring

The Executive Director is responsible for assuring that reserves are maintained and used only as described in this Policy. Upon approval for the use of reserves, the Executive Director will maintain records of the use of funds and plans for replenishment, if required. The Executive Director will provide regular reports to the Board of Directors on the progress made toward restoring reserves to their target minimum amount, if required.

12. ADMINISTRATION

The Executive Director is responsible for the administration, revision, interpretation, and application of this policy. This Policy will be reviewed by the Board of Directors at a minimum of every three years, or sooner if warranted by internal or external events or changes. Changes to the Policy will be recommended by the Executive Director to the Board of Directors. Any changes to the reserve target levels or to the methods for funding the reserves will require a 2/3 majority vote of the Board of Directors.

*** Tell us about yourself (tell us about your background, your past experiences, and what makes you a good candidate for the position; include any information that you think appropriate and important for us to know):**

Hello, my name is Joel Garibay. I am a 19-year-old Mexican American born and raised in Santa Ana. I am a second-year majoring in Communications with an advertising emphasis and a public relations minor. As far as how I am involved on campus, I am a part of many things, such as MSI, M.E.Ch.A, and being a Titan Ambassador. During the summer, I was also an orientation leader. In the roles that I carry, I've gained a lot of experience, such as communication, leadership, and community building. I believe that I am a very capable candidate for the position due to the many positions I've held in just under the two years I've been here at CSUF. A good example of this is the work that I have done with the org I am a part of, M.E.Ch.A. This fall semester, we just finished, M.E.Ch.A. put together a Dia de los Muertos cultural event in the quad area. Apart from my leadership role and the initiatives I picked up for the event, everything ran smoothly and efficiently for the event with an amazing turnout of students and a feature in the Daily Titan. My impact on the event was the building of the Itinerary as well as the physical building of the altar, which was the main attraction of the event. This event, which took a couple of months of planning along with communication from peers, is a great example of why I believe I am a good candidate for the position, which values strategy, campaigning, and, most importantly, communication.

*** Tell us what you think the purpose of our ASI student government is and why you want to be a part of ASI leadership (tell us why you think ASI does what it does, what you hope to get out of the experience, and what you hope to learn):**

I believe the purpose of our ASI student government, in its simplest form, is to serve. It is to be at the disposal of students with the credit to ensure that they get the most out of student life while here at CSUF. As a student, I can see the ASI logo on the majority of events that happen on campus and the initiatives that happen too. It is a clear sign that ASI is there for their students and plans everything with them in mind. My purpose in wanting to be a part of ASI leadership is to bring planning and communication that can make an impact on the viewpoint that students have on ASI and, just as importantly, gain experience and learn. Many students don't go to events for many different reasons but it is important to still try to be inclusive and communicate in every facet in order to hopefully enrich their student life experience. Growing from this position is just as important to me as fulfilling the mission of communicating and planning to me with the hopes that I get proper experience creating strategies and campaigns that fulfill there intentions to reach students.

As of right now, I am a part of many things on campus. I am a part of the Male Success Initiative(MSI), M.E.Ch.A, and also a student worker at Outreach and Recruitment as a Titan Ambassador. I hold a leadership position in the organization M.E.Ch.A as the Historical Director, but I hope to become chair in the following fall. As a Titan Ambassador working for Outreach and Recruitment I just recently joined in the department's Marketing and Media team which goes well for getting experience for this position. I do plan on running for ASI Board of Directors for next academic year which is something I hope works out smoothly for me. The last thing that I have going on for me would be that I will be studying abroad this summer in Barcelona, Spain. Studying abroad excites me very much but so does everything else I listed.

*** Tell us about yourself (tell us about your background, your past experiences, and what makes you a good candidate for the position; include any information that you think appropriate and important for us to know):**

My name is Marlon (Mj) Parnala, pronouns he/him/his, and I am a junior transfer student from Pasadena City College, majoring in Cinema and Television Arts. I'm a 22-year-old gay Filipino man born and raised in L.A. County. My previous experiences include being a Primary Caregiver for my grandparents from January 2016 to June 2022, a Barista/Cashier at Tapioca Express from October 2022 to August 2023, and most recently, an ASI Street Team Volunteer since September 2023.

Although my experience in the film industry is limited, I've learned a lot within a short amount of time. I've taken many production courses, such as Beginning Single Camera, Audio, and T.V. Studio Production, where I got first-hand experience in various film-like jobs. For Beginning T.V. studio production, we produced multiple videos such as commercials and newscasts/talk shows where we rotated positions, and each got to work in different roles like Producer, Director, Camera Operator, Audio Engineer, and P.A. For my Audio Production course, we honed in on our recording/production skills and learned the basics of one of the industry softwares, Protools. Lastly, single-camera production focused on making short films, requiring us to learn how to write scripts, form pre-production packages, and direct, film, and edit our projects.

*** Tell us what you think the purpose of our ASI student government is and why you want to be a part of ASI leadership (tell us why you think ASI does what it does, what you hope to get out of the experience, and what you hope to learn):**

I believe the purpose of the ASI student government is to help build a positive community at CSUF and serve the students, either by hosting fun events for students to get involved and create fond memories or by providing opportunities for students to get help or work experience that can translate to life after college. Besides hoping to obtain more experience and expand my skillset, I want to be part of ASI Leadership because I would love to be a part of the community that helped make my experience at CSUF so enjoyable. I would be honored to be a part of the team that can help change people's lives in such a positive light and help those to come in future generations.
