**Action: Request for Information #10** **EJC 001 18/19 (Naz-m/Cabral-s)** A motion was made and seconded to consider RFI #10.

Wiley made a point of clarification, regarding the motion to open the RFI. He informed the EJC that a subsequent motion will need to be made amend the motion to make this a violation or not.

Sheppard reviewed the RFI, which is an attachment to the minutes.

Sheppard reviewed Bylaws Article XI Section 7, clause 1.a, posting policy and Section 7, clause 1.d. Powell asked to review the posting policy. Sheppard opened the posting policy as outlined on the Elections page of the ASI website and shared the policy does not seem to indicate there is a violation.

Naz referred to Section 7, clause 1.d, and shared that it seems that any candidate could ask the manager to leave flyers on the counter. Seems that any student could do what the candidate is doing. Ansari agreed.

Wiley shared someone needs to amend the motion to say that this action would/would not be a violation of the bylaws.

Beisner shared thoughts relating to the posting policy and the placement of the flyers is at an indoor location versus outdoor location. He asked if the committee considers the flyers would be seen in an indoor location, and would it be considered to be posted. Ansari shared does not consider the placement to be posted, but placed. Handbills and flyers are all around campus, and they are not being thumbtacked or stapled to any posting locations. Would need to consider the same rules for flyers that are placed all around the TSU.

EJC 001 18/19 (Ansari-m/Cabral-s) An amendment was made by Ansari and seconded by Cabral to amend motion EJC 001 18/19 to reflect that RFI #10 would not be a violation of ASI Bylaws.

Naz shared thoughts regarding agreement with the amendment to the motion stating that RFI #10 is not a violation of the Bylaws.

Beisner shared that it would be helpful to tie the motion to a certain clause of Bylaws.

Sheppard shared what she would write in the RFI to read "We have reviewed the posting policy from SLL, because the manager allows all candidates to post items it would not violate the posting policy. Ansari indicated that for Section 7 clause 1.a this is not posting in accordance with SLL's posting policy.

Sheppard amended her statement to reflect that the EJC has reviewed ASI Bylaws Article XI Section 7, clause 1.a and Student Life and Leadership's posting policy, and has determined that what was described in the RFI is not posting and is not considered a violation. She further referred to clause 1.d and indicated that the manager would allow all candidates to have this opportunity. There was no further discussion. **Amendment 001 to motion EJC 001 18/19 was approved with a roll call vote of 5/0/0.**

Sheppard asked if there was any further discussion on motion EJC 001 to approve the response to RFI #10 to state that this would not be a violation. There was no further discussion.

Sheppard asked if there were any objections to moving to a roll call vote. There were no objections.

**EJC 001 18/19 (Naz-m/Cabral-s) MSC: 4/0/1** The motion passed.

**Request for Information--Please include a detailed summary of your request including: The general description and specific application of what you would like to do, the ASI Bylaws clause you want clarification on and in what way, and any other pertinent information to your request.**

My question is can place my handbill on the Pieology (Titian Student Union) pay counter, as I work at Pieology and my manager Christina Martez has also allowed me to do so. To make it more clear I am not going to distribute handbills to the customers at Pieology, I just want my handbill placed on the glass which will be removed on 20th March.  
handbill size = 4.25 inches by 5.5 inches
