a. Discussion: Orientation and Training (Mashaël)

The Committee will discuss the EJC roles and responsibilities and elections policies.

Mashaël yielded the floor to Hesgard, Director of Student Government, to review the EJC roles and responsibilities and Elections Policies.

* The Elections Team aims to promote engagement among the student body, while the EJC is tasked with hearing complaints related to candidate conduct and responding to requests for information.

* Membership of the EJC was outlined, with Elections Director Mashaël serving as chair, along with elections coordinators, a member of the Board of Directors, an executive officer member, and a campus liaison.

* Hesgard detailed the process for handling requests for information (RFIs) and complaints. RFIs are reviewed weekly by Hesgard and the Elections Director, with responses provided to all candidates if deemed necessary. Complaints, on the other hand, must be submitted within 24 hours of identifying an issue, and violations are categorized into Class A, B, and C, each carrying different consequences.

* Class A violations are the most severe, potentially resulting in disqualification from the election, while Class B and C violations carry lesser consequences but can still

lead to disqualification with repeated offenses.

* Hespard emphasized the importance of impartiality among EJC members during the election period, prohibiting involvement in campaigning for or against candidates. Violations of impartiality can result in complaints and potential repercussions, including loss of ASI positions and awards.

* Instructions for accessing the request for information form and complaint form on the ASI website were provided, with these forms being available during the campaigning period on the ASI website under the Elections tab.

Mashaël opened the floor to questions and points of discussion.

Macedonio raised a question regarding RFI's clarification of ASI bylaws or policies. Hespard responded, clarifying that RFIs are primarily related to ASI elections policy and candidacy eligibility, not typically for explaining unrelated bylaws and emphasized the importance of thoroughly reading all policies presented, highlighting the need for familiarity to address potential issues effectively. She stressed the necessity of being well-versed in policies to handle complaints promptly and avoid delays or confusion.

Beisner introduced himself, detailing his background in university governance and advising the Committee on maintaining impartiality and collaborative action. He underscored the significance of impartiality and teamwork, urging Committee members not to act alone and to encourage complaint filing and adherence to Roberts Rules of Order. Beisner encouraged the Committee to embrace the learning experience and the value of understanding parliamentary procedures, offering support and guidance throughout their term.

STANDARDS

1. ELECTIONS

Each year, the CSU Fullerton's Student Body shall elect the ASI President, ASI Vice President, and ASI Board of Directors for the upcoming academic year. The elections shall be held Tuesday through Wednesday three weeks prior to Spring Recess.

Public notice of an election must be given to student body no later than ten (10) legal days prior to the election. The notice shall specify the place(s), the legal day(s), the hours of such elections, and the general nature of the issue(s) to be decided.

The ASI President and Vice President shall run as a candidate team. Individual candidates for either office shall not be allowed. ASI Board of Director must run in one academic college which they are enrolled.

No member of the ASI Executive Officers or ASI Board of Directors shall serve in any other position that receives a financial award or scholarship.

2. VOTING PROCEDURES

Voting will take place the Tuesday through Wednesday three weeks prior to Spring Recess. Voting will open at 8:00 AM PST on the first day and close at 8:00 PM PST on the final day.

Candidates are required to use their name on record with CSU Fullerton on the ballot. The order of candidates appearing on the ballot will be in alphabetical order.

Each student shall be required to authenticate their eligibility to vote by entering their CSU Fullerton credentials on the voting website. A student will vote on a single ballot, in most to least preferred: ASI President and Vice President and ASI Board of Directors.

When voting for the ASI Board of Directors, the student will be voting in the academic college which they are enrolled. If a student is undeclared, they may choose which one academic college to vote in. If a student has multiple declared majors in different academic colleges they shall choose one academic college that they are enrolled to vote in. If a student is voting for a write-in candidate their name must be spelled correctly, as CSU Fullerton has on record, for the vote to count.

3. DETERMINING WINNERS

The Instant Run-Off Voting method will be used to count the votes. On the ballot, voters will rank candidate teams and Director candidates in order of most preferred to least preferred. The Instant Run-Off Voting method simulates an election with multiple run off rounds until a candidate receives majority.

The winners will be the candidate or candidate team who receives a majority of votes in the regular election. A majority shall be defined as 50% plus one individual vote of the total votes cast.

President and Vice President:

- If no candidate team receives a majority of votes in the regular election, the candidate team with the fewest votes shall be eliminated and an Instant Run-Off will occur, as defined by the Instant-Runoff Voting method.
- The eliminated candidate team's votes are transferred to the other candidate team(s), depending on each voter's preference as stated on their ballot. An Instant Run-Off election will be simulated with the new vote totals. This process will repeat until a candidate team receives a majority of votes.

ASI Board of Directors:

- The winners shall be the two (2) candidates from each college who receive the most votes.
- If two candidates tie for second place, the candidate(s) with the fewest votes shall be eliminated and as Instant Run-Off will occur, as defined by the Instant-Runoff Voting method.

- The eliminated candidate(s) votes are transferred to the other candidates, excluding the candidate that received the highest vote total, depending on each individual voter's preference as stated on their ballot. The winner shall be determined by a simulated election based on the new voting totals.

If no candidate or candidate team receives a majority of votes in the regular election, the candidate or candidate team with the fewest votes shall be eliminated and an Instant Run-Off will occur. The eliminated candidate or candidate team's votes are transferred to the other depending on each voter's preference as stated on their ballot. A Run-Off election will be simulated with the new vote totals. This process will repeat until a candidate or candidate team receives a majority of votes.

At the close of the elections the results will be counted. If there are no pending complaints or appeals, the Elections Director will submit the results to be certified within twenty-four (24) hours. The certification process will include review by the Elections Director, Executive Director or designee, and the Vice President of Student Affairs or designee. Results are only certified after any complaints have been heard by the Elections Judicial Council and appeals have been heard by the Board of Directors. Once certified, the results shall be released to the public.

Recounts may be requested by any candidate for the position in which they are running if there is a reason to believe the count was inaccurate. Recounts must be requested before the results have been certified.

Once the Board of Directors has reached a verdict on the appeal through a formal vote, there shall be no further course of action for all parties involved in the hearing.

15. REFERENDUM, SPECIAL ELECTIONS, INITIATIVES, AND RECALL

All referenda, initiatives, and recalls shall be considered binding if done in coordination with the above processes unless they contradict Federal, State, or local law, the Articles of Incorporation, the ASI Bylaws, or the purpose of the Corporation.

a. Referendum

The Board of Directors will be empowered to direct the Elections Director to place certain matters, including constitutional changes or business, before the student body. A majority vote of the Board of Directors shall be sufficient to enact referenda. All referendum shall follow CSU Chancellors Office and CSU Fullerton set guidelines.

b. Special Elections

Only determined by a majority vote of the Board of Directors. All special elections will be held during a general election whenever possible.

When a special election is held separate from a general election, the following conditions shall apply:

- The availability of the voting practices will be identical to that of the most recent previous general election.
- Eligibility requirements shall not change.
- Winners shall be determined by the same method as noted in ASI Policy.
- Candidates shall have the seven (7) consecutive calendar days before voting to campaign.

c. Initiative Legislation

Initiative legislation from the student body may be submitted to the Board of Directors in the form of a petition signed by at least 10% of the total membership of the student body. An initiative can either enact new legislation or repeal existing legislation.

The Vice President for Student Affairs shall verify through the Dean of Students Office the enrollment status of all the students whose signature appears on the petition. After verification, a special election shall be called by the President within fifteen (15) legal days of certification of signatures.

A majority vote in favor of the proposed legislation shall be sufficient to adopt any initiative legislation.

d. Recall

The President, Vice President, or a member of the Board of Directors may be removed from the remaining term of office when the following conditions are met:

- A petition stating the desire to remove a Director must be signed by ten percent (10%) of the headcount of the Director's respective academic college. In the case of the President or Vice President, a petition stating the desire to remove that officer must be signed by five percent (5%) of the entire headcount of the University. The petitions must include each petitioner's printed name, Campus Wide ID number, and signature to be considered valid.
- Prior to the gathering of signatures, the leader of the recall drive must state in a letter or in person at an ASI Board of Directors meeting the intent to recall an officer. The petition drive has thirty (30) calendar days from announcement to gather the necessary signatures or the recall fails.
- If the correct number of signatures is gathered, they must be verified by the Office of the Vice President of Student Affairs.
- If the appropriate number of signatures is verified, the President must call a special election within fifteen (15) legal days.
- The availability of the Voting Practices will be identical to that of the most recent previous general election.
- Two-thirds of students voting in a special election must vote to recall the officer for the officer to be removed.
