DRDP Measure: Identity of Self in Relation to Others

Age Group: Preschool age

A Family Tree Activity

Materials needed:

- Printable of tree (click on image to the right)
- Finger-paints, markers or small photos

*Questions for conversation:

Who is in my family?

Are all families the same?

What are things families do together?

My Family Tree

Parents work with your child to complete a family tree. You can use finger-paints to make print "leaves" and add names or cut out paper leaves and glue on.
