

Activity Share: **Fluffy Bin**

Age group: Older infant & Younger toddler

Materials Needed:

- **Stuffed animals**
- **Kiddie pool**

Directions:

First collect different stuff animals around your house. You will notice they each have different textures and they have a different feel to their fur. Even though they are all soft and cuddly, each have different fur, different lengths, different fabrics, etc. It's a wonderful way for your child to explore.

FLUFFY BIN
CUDDLY SENSORY FUN FOR BABY

This will keep you little one entertained and busy while also exploring and learning about different textures. Definitely a two thumbs up activity!
