

## Activity Share: **Leaf Autumn Wreath**

Age group: Toddler, Preschool,  
School Age

### Materials Needed:

- Paper Plate
- Collected Leaves and Flowers
- Scissors
- Glue
- String or Raffia

Take a walk with your child to collect different leaves and flowers. Spend some time talking about the similarities and differences in each leaf/flower (diversity).

### Directions:

Cut a circle from the middle of the paper plate. Your child can glue and arrange the leaves and flowers around the paper plate ring.

When the glue dries, make a hole in part of the ring and tie a loop to hang up the wreath! Enjoy this decoration for days to come!
