

## Activity Share: Let's make Oobleck!

Age group: Toddler/Preschool age

### Materials Needed:

- Cornstarch
- Water
- Food coloring- optional

### Directions:

- Mix  $\frac{1}{2}$  cup of cornstarch and  $\frac{1}{4}$  cup of water onto a tray (a tray with a lip works best). If you want to add food coloring, mix it in with the water .
- Allow your child to mix the ingredients together and add small animals or dinosaurs!
- Materials are easily cleaned with soap and water!
