DRDP Measure: SED 3: Relationship and Social Interactions with Familiar Adults
Age Group: Toddlers

Title: Little Helper

Toddlers enjoy helping around the house. While their help is not always quite that, there are lots of household tasks that toddlers can do. Allow your child to help you when you're folding the laundry, when you're wiping the coffee table, when you're cleaning the windows etc. This is also a great way to interact with your child for extended periods of time.
