Activity Share: **Making Puffy-Paint**

Age group: Preschool age

Materials Needed:
- White Glue
- Shaving cream
- Tempera paints
- Containers to hold various paint colors

*Tip: best to get the sensitive and fragrance free shaving cream, to avoid any possible irritation.

Directions:
-In separate containers mix ¼ cup of shaving cream and 2 tablespoons of white glue.
-Add a bit of paint to the mix. Add more paint to make the color darker.
-Paint with a wooden popsicle for easy clean up.
