

Activity Share: Paper Boat Lego Challenge

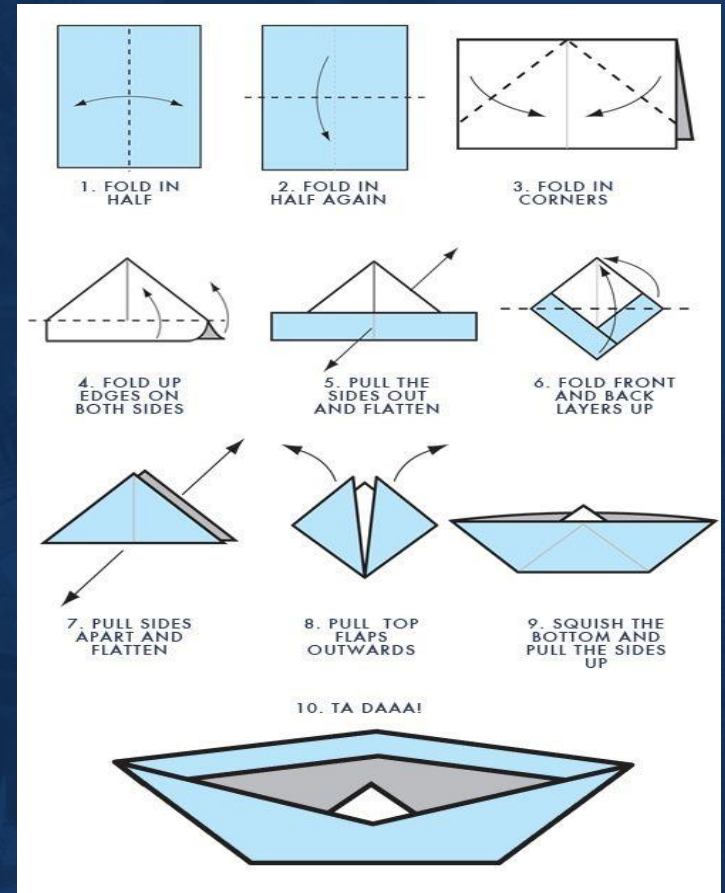

Age group: Preschool Age

Materials Needed:

- A paper boat (see directions to the right)
- Tub of water
- Legos or small pebbles

Directions:

- After the paper boat is made, fill a tub full of water.
- Place the boat in the water.
- How many lego blocks or pebbles can you add to the boat before it sinks?
- Have your child make a prediction about how many legos or pebbles it will take.
- Count the actual amount of legos/pebbles needed to sink the boat!
