Pom-Pom Drop:

Fine Motor Activity

This activity can be easily done with items you probably have around the house already.

You'll need: Toilet paper rolls or paper towel rolls, tape, and pom-poms (or even crumpled up paper if you don't have poms).

- Tape the T.P. rolls to the wall and have your child drop the pom-poms through them! You can even tape the rolls at an angle and see if you can drop the pom-pom through multiple rolls.
