**\* Tell us about yourself (tell us about your background, your past experiences, and what makes you a good candidate for the position; include any information that you think appropriate and important for us to know):**

Hi, my name is Peter 'Kobe' Martin. I am an international business student with a concentration in import and export specialties. In the pursuit of my degree, I am interested in becoming more involved with our on campus community that closely aligns with my academic interests. I am passionate about unifying and promoting our student bodies' cultural diversity. My previous participation in other clubs from other CSU campuses has equipped me to create safe spaces for students to showcase their cultural heritage. I am a part of the MASA (Mexican American Student Association) at Cal Poly Pomona as a board member. MASA works with several other organizations at Cal Poly Pomona that co host larger events like LSBA (Latino Students Business Association). Because of my board position, I understood the importance of networking and event planning to build community. I hope to use both my personal and professional skills here at Cal State Fullerton.

I believe AICA serves as a medium and catalyst for students to participate in intercultural communication. After understanding the role that it plays within our on campus community, I am passionate about being a part of AICA to facilitate these events and promote our on campus diversity. I think it is important to have these intercultural exchanges and learn about multiculturalism. I hope to initiate meaningful interactions through AICA and host events as the event coordinator to unify our student body. Aside from hosting events, I would like to understand and solve issues with the marginalized communities at CSUF. I believe AICA is a powerful tool that empowers students to share their cultural experiences on a larger scale. I hope to be a part of these efforts to unify our community. My goals as an event coordinator is to have at least one event to advocate and fundraise for a global issue that affects a marginalized community.
