

Activity Share: **Salt Dough** **Dino Prints**

Age group:
Toddler/ Preschool

Materials Needed:

- 2 cups of all purpose flour
- 1 cup of salt
- 1 cup of water

Make dinosaur prints with this easy salt dough recipe! You can let them dry overnight and leave them white, or add some paint with watercolor.

For another experience, add the dried prints to sand and use paint brushes for a dinosaur fossil excavation activity!

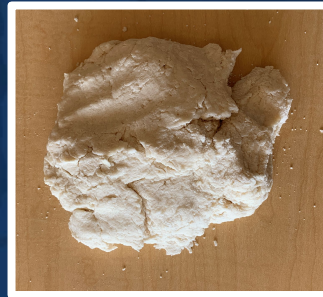

1

Gather your ingredients

2

Mix them together

3

Knead the dough

4

Make a print

5

Let it dry overnight!
