DRDP Measure: Inquiry Through Observation & Investigation

Age Group: Preschool age

Tube Telescope

Materials:

- Recycled cardboard tube (paper towel tube will work great)
- Scissors (**adult Assistance required)
- Stickers, markers, other decorations of choice
- Paper cup

Click [here](#) for step-by-step directions

This is a fun activity that your child will enjoy making and using. Take your telescope on nature walks, bird watching, or looking for stars at night!
