CAMPER GROUPS

Campers will be grouped with similar age groups. For example, a group may consist of 4-5 year old campers or 5-6 year old campers. The groups depend on the amount of campers of each age we have that week. Campers may request to be with a friend or another group, however, it is depended on the amount of camper to counselors available to accommodate this request.

CAMP SCHEDULE

Activities will be rotated daily and include recreational activities, themes, and special events. A sample schedule can be found in the Documents tab. There are some events offered only in the Full day schedule including: free swim, special events, and vendors. To see a list of previous special events and vendors please reference the Documents tab."

SWIM TIME

Campers will have the opportunity to enjoy recreational swim Monday-Wednesday and Friday afternoons. They are NOT required to swim. If they cannot swim we offer a shallow water section for non-swimmers with extra supervision.

Males and females change in separate locker rooms that are closed to the public during changing time. All campers will be accompanied by at least two counselors during this time. The locker rooms do have showers, but will not be allowed for use.

Counselors will not be directly applying sunscreen during this time, so it is encouraged campers learn to apply sunscreen, or bring a spray sunscreen if they need assistance from a counselor.

STAFF CREDENTIALS

All camp staff go through an extensive application process and training before camp begins. All camp staff receive a background check and live scan before officially being hired. Camp staff are certified in First Aid and CPR. The camper to counselor ratio is 10 to 1 respectively.

MANDATED REPORTER

All youth staff receives training on recognizing the signs and symptoms of child abuse and neglect and preventing child abuse, neglect, and bullying. All youth staff are required to complete and sign the [Acknowledgement of Mandated Reporter Status and Legal Duty to Report Child Abuse and Neglect](#) which functions as a notification to each employee that he/she is a mandated reporter and that the employee knows he/she has a legal obligation to report suspected abuse or neglect to an appropriate agency such as law enforcement or the California Department of Social Services.

PARENT/GUARDIAN VISITORS

Parents and guardians are welcome to obtain a visitors pass by checking in at the Front Desk. **The visitor must have a valid form of Identification and be listed on the campers approved pickups.** We ask that you participate if you'd like, but refrain from coaching any campers.
