DRDP Measure: PD-HLTH4: Fine Motor Manipulative Skills
Age Group: Toddler and Preschool

Stained Glass or Chalk Mosaic!

- You can do this activity just about anywhere: your driveway, the sidewalk, your porch!
- You can make it as big or little as you would like.
- All you need for this activity is tape and chalk. You can make any shape design!
- Tape out your design and then start coloring in with chalk!
- Once you're done, pull up the tape and check out your design!

Sidewalk Chalk Design!
