

Activity Share: **Making Chalk-Paint**

Age group: Preschool age

Materials Needed:

- Cornstarch
- Water
- Food coloring
- Stirring stick or spoon
- Containers for various colors

*Tip: Use a cupcake pan to hold different colors.

Directions:

- Mix 1 cup of water to 1 cup of cornstarch (1:1) and continue to mix until smooth.
- Pour mixture of cornstarch and water mix into individual containers.
- Add a few drops of food coloring to each cup to make different colors. Mix until well blended.
- Use paint on dark paper or on the sidewalk.
