Parts of an Pumpkin Song

(Tune: *Frere Jacques* or *Where is Thumbkin?*)

**Little Pumpkin, little pumpkin
Growing on a vine, growing on a vine
With a stem like hat,
and skin that's orange and fat
With ribs like lines, ribs like lines**

**Little pumpkin, little pumpkin
What's inside? What's inside?
Seeds and pulp that we can eat,
Turn them into tasty treats
Like pumpkin pie, pumpkin pie.**
