Sunshine Activities:

1. Handprint sun: help your child to paint their hands and then place them on the paper in a circle formation.
2. Paper plate sun: you can cut rays out of a paper plate and then have your child color or paint on the plate to make it look like a sun.
3. Toilet paper roll suns: cut slits in the toilet paper rolls and then bend them back, dip into yellow paint and then make prints on paper.
4. Fork painted suns: have your child use a fork, dip it in paint and make a bunch of prints around a colored circle.
