

Apple Stamping

Supplies needed for Apple Stamping:

- Apples
- Red Paint
- Green Paint
- Plain Paper

Cut apples to prepare for stamping. Cutting across the middle of the apple horizontally will reveal the star inside the apple, and cutting vertically makes traditional apple looking stamp prints on the paper.

Pour red and green paint on separate flat-bottomed paint trays or plates.

Press the cut side of the apple into the paint and stamp on the paper.

Set the paper aside and let the paint dry.

Hang the paper apple in your home for a fun decoration!
