

Activity Share: Paperclip helicopter

Age group: Preschool

Materials Needed:

- Paper
 - Paperclip
 - *Scissors to cut paper
- *adult help may be needed

Directions:

- Measure the paper as seen on image B on the right. (2" wide and 6" height)
- Cut a slit from the bottom to the middle of paper (image C)
- Fold the paper and add paperclip
- Test the helicopter by throwing it up into the air or down from a high area.
- Have fun and watch it spin!!
