DRDP Measure: Relationships and Social Interactions with Familiar Adults

Age Group: Toddlers

## Book or Song Basket

This activity encourages children to engage and initiate interactions with adults. As children become familiar with using the book basket, they can initiate play by bringing basket or objects to an adult.

### Materials:

- Child's toys or items around the house
- Basket or bin

### Directions:

- Fill Basket with Items that represent a song or story.
- Hold object as you sing or read the story
- As child becomes familiar with objects, they can begin to initiate the songs or book
- If you do not have objects that represent book or song, you can make your own or print out pictures.

### Examples:

- Songs
  - Toy Bus= Wheels on the Bus
  - Monkey= 3 Little Monkeys Jumping on the Bed
  - Star= Twinkle Little Star
- Book
  - Little Blue Truck= toy truck, frog, cow, chicken, goat, horse duck, dump truck, sheep
