## Falling Leaves Cutting Practice

### Materials needed:

- A good pair of child scissors
- Print out the printable to the right. (click on the image to go to the printable)

\*always practice safe scissor and stay near your child. \*\*if you are not able to print out this sheet, you can also have your child cut a variety of things. Other things to cut include: leaves, paint chip cards, washi tape, string, noodles and so much more.
