

Activity Share: Penny Spinner

Age group: Preschool- School age

Materials Needed:

- Circle cut-out (cereal box works well)
- Scissors or Art Knife*
- Markers
- Penny
- *Adult help will be needed for this step.

Directions:

- Trace a circle shape on a sheet of cardboard
- Cut out the circle
- Color and design the circle with markers
- *Use the scissors or Exacto knife to make a small slit in the center of the circle.
- Push in a single penny, about halfway through into the slit in the center.
- Holding the penny in the center, twist to spin the circle.
