Flannel Board Song: "The Grocery Store"

Lyrics: "The Grocery Store"
By Claire Clark

Let's walk to the grocery store and listen to our feet. Click, clack, tap, tap, walking down the street. We'll buy lots of different things while we're at the store, Bread and jelly, cookie dough, pancake mix and more! Let's walk to the grocery store and listen to our feet. Click, clack, tap, tap, walking down the street.
