Raindrops

Flannel Board Story

Raindrops, raindrops, where did they fall?
They fell on a **red** bug, but that's not all.

Raindrops, raindrops, where did they fall?
They fell on a **green** frog, but that's not all.

Raindrops, raindrops, where did they fall?
They fell on a **purple** flower, but that's not all.

Raindrops, raindrops, where did they fall?
They fell on an **orange** cat, but that's not all.

Raindrops, raindrops, where did they fall?
They fell on a **blue** bird, but that's not all.

Raindrops, raindrops, where did they fall?
They fell on a **yellow** coat, but that's not all.

Because up in the sky out came the sun, and
the rain made a rainbow for everyone.
