Age Group: preschool age

Gratitude Stones

Materials:

- A washed and dried Stone (any size)
- Tissue paper
- Child safe scissors
- Glossy Mod Podge or watered down Elmer's glue
- Paintbrushes

Directions:

- Cut out small tissue paper shapes with scissors
- Lightly spread a thin layer of Mod Podge or glue on the surface of the stone, then place the small tissue shapes carefully on the stone.
- Add another thin layer of Mod Podge or glue over the tissue.
- Repeat this process until satisfied with your stone. To do the other side, you will need to allow the stone to dry before turning it over.
- Allow the entire stone to dry completely before handling it.
