

Child Group Time Recorded Session

“Open Shut Them” song

Open, shut them (open and shut fists)

Open, shut them, (open and shut fists)

Give a little clap, clap, clap (clap hands 3x)

Open, shut them, (open and shut fists)

Open, shut them, (open and shut fists)

Lay them on your lap, lap, lap (tap hands on lap 3X)

Creep them, creep them (walk hands up arm to chin)

Creep them, creep them (walk hands up arm to chin)

Right up to your chin, chin, chin (tap fingers on chin)

Open-up your little mouth, (open mouth)

But do not let them in. (shut mouth and shake head side-to-side)
