DRDP Measure: Emergent Writing

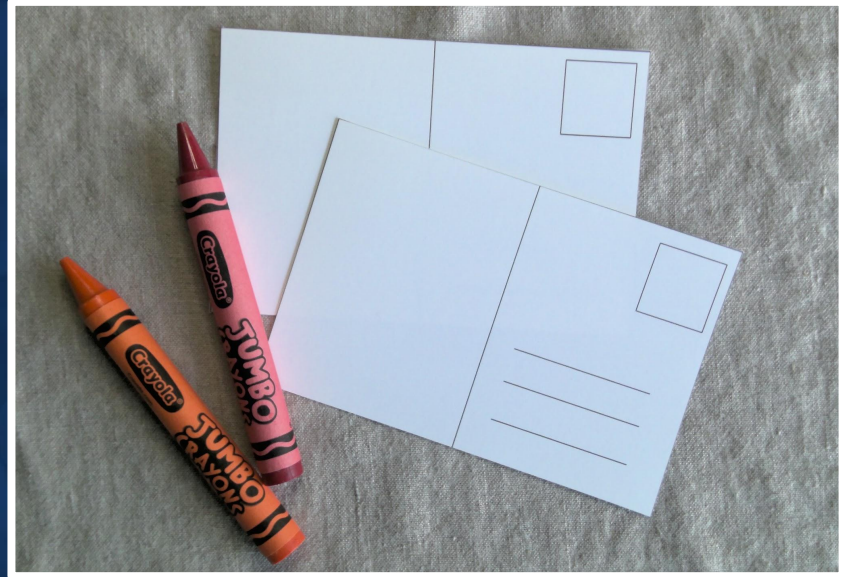

Age Group: Young toddler-
Preschool

Emergent Writing- Sending a Postcard

Print out this template and have your child scribble, write, or add stickers to the front. Send them to family and friends!

Emergent writing for a young toddler: Scribbling is important for building fine motor skills, hand-eye coordination, and prewriting skills.

Emergent writing for a preschooler: Ask your child what they would like to write and dictate their words exactly as they say them. Allow them to practice writing letters, words, or their name.

**Click image to print the
template!**

Works best if printed on cardstock.
