Materials Needed: Cookie Sheet, Magnetic Letters, any lightweight paper

- Cookie sheets are magnetic.
- Write the letters on a piece of computer paper and tape to the cookie sheet
- You can start off with any few random letters and set the sheet out for your child.
- Change up the letters once your child is ready! Ask your child, “can you find the letter A?” and so on..
- Have your child match the magnet letter to the same letter you wrote on the paper!
- Have Fun!
