   a. Discussion: Student Government Budget Review and Analysis
      The Committee will discuss the Student Government Budget Review and Analysis.
      Wong yielded the floor to Nettles to lead the discussion.
      Nettles shared the status of the budget's available funds and the requests that have been made for additional funding.
      Nettles said they will not be able to fund everyone up to what they asked.

      Wong opened the floor to questions and discussion.
      * Diaz confirmed her understanding of the funding amounts shown. Nettles provided clarification on the amounts available and the amounts requested.
      * Kelley asked Nettles what flow of communication should be followed to get information back to her. Nettles explained the communication flow and how things should be communicated to her.
      * Fox asked the Committee to consider if programs will be able to perform their events if they only receive partial funding.
      * Diaz asked members to be sure to explain to their ICCs that if they do receive funding at less than what was requested it may still be more than what was originally offered.
      * Nettles shared historical data on program funding and explained they rarely cut funding if it can be avoided.
      * Kelley asked if there will be a separate list of programs that requested significantly more funding. Nettles shared information on the programs that requested significantly more funding.
      * Kelley asked how programs will be aware of expectations surrounding submissions and ASI reviews. Nettles shared they keep the line of communication open so programs know where they are.
      * Wong asked when they can expect to receive the spreadsheet. Nettles said as early as Monday she is expecting to provide the information.
      * Diaz asked for additional details on how the budget will be decided and who are the parties that are working on the budget. Nettles shared the work being done behind the scenes to ensure that the President's Recommendation on the budget will be taken into account.
