Summary of Findings

• Vice President role is within range closer to the President and Board Chair responsibilities.

• The Board members point range is closer if not higher than the Executive Officers due to their decision making and fiduciary responsibilities, but the Executive Officers still hold more time in coordination and project execution.

• The Elections Director point range was higher than the commission directors and other like leaders due to the increased in time and interpersonal contact in a short period of time

• The point spread between each grouping of student leaders supports the need for reviewing and adjusting the percentage compressions between each level.

• Due to the lack of clarity for the category 5 responsibilities, there are no identified financial recommendations from this review.
  • Additionally there is no identified way of increasing this category with cost of attendance adjustments like the other 4 categories.
Future Considerations

- Adjustment of the Vice President classification
- Compress the percentages between Category 1, 2 and 3
- Minimum percentage for student leader awards
- Measure for equitable increases for Executive Senate Awards

- Continuing conversations with incoming board in summer and fall
- Identify solution in Fall 2023 for FY 2024-2025 budget considerations
Policy Needs

• Addition of responsibilities for the commission directors and coordinators (similar to AICA) to the Policy Concerning Composition of Commissions

• Addition of responsibilities for the Camp Titan Directors and volunteer staff

• Addition of responsibilities for the Governance Ambassadors to the Policy Concerning Composition of Commissions

• Addition of responsibility for the Executive Senate (Category 5) Chair/Presidents and Vice Chair/Treasurers to the Policy Concerning Executive Senate
