*** What made you decide to pursue this position?**

As a future Social Worker and Veteran who strives for advocacy and connection, I believe that being involved will help me grow as a leader and as an individual. I like to find different ways to connect with others, and by stepping into a new role that is unfamiliar, I believe that my experience and knowledge can contribute to what ASI already brings to our students at CSUF.

*** What do you believe is the role of the students' voice in decision-making on campus projects and issues?**

I believe that the role of the students' voice into decision-making on campus is essential for creating a positive learning culture. It empowers students, brings diverse perspectives, improves learning outcomes, fosters critical thinking, creates a supportive environment, promotes equity, and teaches life skills. Overall, prioritizing the students' voice is a powerful way to create a student-centered educational experience that recognizes and respects the unique perspectives and needs of each student, ultimately leading to improved learning outcomes and a better connection within the school.

*** Are you interested in topics such as academic curriculum, campus infrastructure, or program opportunities for students? If so, please elaborate. ***

Program opportunities and campus infrastructure has always had my interest as I have heard many students needs for change in these main areas. I know that I am still learning about all of the program opportunities that are already being implemented at CSUF and I am sure there are more that can be developed to help meet student needs.

*** What are you currently involved with on campus?**

1. I have been with the Veteran Resource center for going on 4 years and Student Veterans Association (SVA).
2. I was also one of the first students to have attended the full year Title IX ambassador program cohort (2022-2023) and will continue to be a student Title IX ambassador.
3. I am currently on the Systemwide Title IX and DHR Assessment Implementation Team as a student committee member (2023-2024).

*** Students selected to sit on a committee are provided training, leadership and professional development opportunities each month. What is your availability for the fall and spring semester?**

As a full-time MSW student with an internship with Orange County Health Care Agency, I am only available Wednesday and Thursday from 8am-5pm.

*** Student Fee Committees If appointed, each ambassador will serve on one of the three student fee committees. The IRA Committee provides funding for educational experiences and activities directly related to courses offered at CSUF. Associated Students, CSUF, Inc. administers the IRA fee and provides support to faculty, staff, advisors, and students who participate in courses that benefit from this fee. Every year, the IRA Committee accepts funding proposals and submits a proposed budget to the University President under which IRA funds are utilized. Student Fee Advisory Committee (SFAC): The Student Fee Advisory Committee is made up of students, faculty, and staff who review proposals for the establishment or adjustment of certain fees as well as periodically reviewing certain existing fees. Following the fee review process, the committee drafts a report to the University President detailing their findings and any recommendations. Student Success Initiative Advisory Committee (SSIFAC): The Student Success Initiative Fee Advisory Committee was created in 2014, with the implementation of the SSI Fee. This committee is made up of students, faculty, and staff who work to ensure accountability and transparency are occurring with SSI funds by reviewing quarterly presentations from SSI-funded areas. Please rank your interest for one of the three student fee committees below:**

Instructionally Related Activities Fee Committee : First Choice
 Student Fee Advisory Committee : Third Choice
 Student Success Fee Advisory Committee : Second Choice

*** Academic Senate Standing Committees** If appointed, each ambassador will serve on one to two of the Academic Senate Standing Committees. Descriptions about each committee can be found here: [Committee Descriptions](#) Please select the committees that you are interested in and available for.
