PROCEDURES

1. ACCOUNTING CONTROLS
The ASI Accounting Office will establish appropriate accounting controls and procedures in order to limit escheatable property. This includes but is not limited to:

   a. Maintaining proper accounting systems

   b. Developing controls to prevent credits from being absorbed

   c. Creating reports that identify and age outstanding checks, open credit memos, and on-account cash

   d. Reconciling accounts and researching discrepancies on a regular basis.

2. REPORTING TO THE STATE
Funds escheated to the State of California must be reported to the State Controller pursuant to California Code of Civil Procedure Title 10, Chapter 7 §1530. The ASI Accounting Office will file the report using the form or format dictated by the State Controller and will include all information requested in Code of Civil Procedure Title 10, Chapter 7 §1530. The ASI Accounting Office will file the report before November 1 of each year for property unclaimed during the dormancy period as of the preceding fiscal year-end. The Director, Financial Services/Chief Financial Officer will verify the report prior to submission.

If there is nothing to escheat, a report to the State shall not be required unless requested by the State in writing.
3.UNCASHED CHECKS
Checks drawn on ASI bank accounts that remain on the outstanding check reconciliation list after 180 days from check date shall be considered stale dated and shall not be honored by ASI's bank if presented for payment. Stale dated checks shall be voided and removed from the outstanding list. A Journal Entry shall be prepared to transfer the funds to a liability account. If unclaimed after a period of three years, the funds will escheat to the state.

a. Review Process
When checks become stale dated, the Accounting Supervisor shall generate a report detailing the payee information. This report is provided to the Chief Financial Officer for review. The Expenditure Technician shall verify that the payee does not owe money to ASI, and if the payee does, provide descriptive information as needed to apply the uncashed check to offset the outstanding debt.

b. Due Diligence Letters
After the review is complete, the Accounting Supervisor shall generate due diligence letters to payees and mail them not less than six months nor more than 12 months before the checks become reportable. The letter shall contain the payee's name and address on record, check number, date of check, description if available, and a contact person for related questions. The letter shall also contain a section for the payee to certify that the check was never received or was lost, and to request re-issuance.

c. Replacement Checks
If the payee signs and returns the letter to certify that the check was never received or was lost, the check shall be replaced. The replacement check will be charged to the liability account to which the stale dated check had been accrued. The associated payee information shall be entered into the unclaimed property database so that the check does not escheat to the state.

If a response is not received from the payee, the funds shall be held by ASI until turned over to the state in accordance with escheatment laws.

4.UNCASHED PAYROLL CHECKS
Payroll checks drawn on ASI bank accounts that remain on the outstanding check reconciliation list after 180 days from check date shall be considered stale dated and shall not be honored by ASI’s bank if presented for payment. Stale dated payroll checks shall be voided and removed from the outstanding list. A Journal Entry shall be prepared to transfer the funds to a liability account. If unclaimed after a period of one year, the funds will escheat to the State.

If a response is not received from the payee, the funds shall be held by ASI until turned over to the state in accordance with escheatment laws.

The Staff Accountant will review this analysis with the Accounting Manager and attempt to clear the credit balances accordingly, either through customer refunds or offsetting debit memos where warranted (i.e. errors in billing). Credit balances that remain on the accounts receivable ageing report after 180 days shall be considered stale dated. Stale dated credit balances shall be voided and removed from the outstanding list. A Journal Entry shall be prepared to transfer the funds to a liability account. If unclaimed after a period of three years, the funds will escheat to the State.

a. **Review Process**

When credit balances become stale dated, the Staff Accountant shall generate a report detailing the payee information. This report shall be provided to the Accounting Manager for review.
