For Purpose of this policy, the terms used are defined as follows:

ASI Donations	Monies spend to support important charitable events, community service organizations, and other worthy social cause of CSUF clubs and organizations.

STANDARDS

1. ASI DONATIONS

The primary purpose of ASI is to encourage and support on-campus programs and services, which enhance the University experience for students, faculty, staff and surrounding communities.

The ASI Board of Directors recognizes that from time to time student organizations in good standing will request ASI funding to support important charitable events, community service organizations, and other worthy social causes. To facilitate these requests in a fair and equitable manner, the following criteria will be utilized in evaluating such requests:

- This policy limits funding to registered California State University, Fullerton (CSUF) student clubs and organizations in good standing (as outlined in the CSUF "Recognized Student Organization Handbook" available through the CSUF office of Student Life & Leadership). Funding to individuals will not be considered.
- The sponsored charity or community service organization for which funding is being requested must be registered nationally as a 501 (c)(3) organization, as per United States federal tax code.
- In order that the ASI be properly recognized, the sponsoring student organization must observe all appropriate guidelines.
- A significant number of CSUF students must participate in the funded activity or service for which they are seeking ASI support.
- The ASI shall not fund requests in excess of \$100.
- All donations approved by the Finance Committee, regardless of the amount, must be presented to the ASI Board of Directors for final approval.
- If multiple CSUF student clubs and organizations are participating in the same charitable event(s) and/or asking a donation for the same cause, the ASI will only fund one collaborative CSUF team. Charitable events and organizations may not receive more than \$100 per year regardless of the number of sponsoring clubs and organizations.
- The Associated Students, Inc. limits its total funding of these charitable organizations and events to \$2000 per fiscal year.

2. GIFT ACCEPTANCE BY THE CORPORATION

A gift is a donation given by an individual, group, or corporation to a program or service of ASI. Gifts may be either solicited or unsolicited. On acceptance, gifts become the property of ASI and shall be used only for the benefit of ASI programs or services. Where appropriate, gifts must be utilized in compliance with donor restrictions.

Only gifts, bequests, devices, endowments, trusts, and similar funds which are designated for the use of ASI may be considered for acceptance. ASI will utilize the Cal State Fullerton Philanthropic Foundation for fundraising support, i.e. crowdfunding, student club fundraising requiring sponsorship, major gift donations, planned giving, etc. Refer to the CSFPF Fundraising Policy for additional guidelines. Gift(s) must comply with all ASI, CSUF, and CSFPF policies.

The ASI Executive Director, or designee, is authorized to accept gifts or related funds and instruments designated by the donor or grantor for purposes and uses approved by the ASI Board of Directors. The

ASI Executive Director may make recommendations to the Board for its acceptance when there are custodial, maintenance, or other costs related to the receipt of a gift.

The ASI Executive Director or designee is required to present a written report to the ASI Board of Directors upon receipt of any gift. On behalf of the Board, the Executive Director shall exercise its public trust in making final decisions for the acceptance of all gifts and grants and for any exception to its policies and guidelines. ASI shall accept only those gifts the transference and implementation of which shall be deemed consistent with the public laws and/or regulations of the United States and the State of California.

The Board shall determine that gifts to the ASI are evidence of philanthropic intent, and that the donor's philanthropy is in accord with the stated mission and goals of the ASI. The purpose is to prevent ASI from being an object of philanthropic intent for either designed or innocent avoidance of taxes, prejudiced purposes, or evaluation of gifts without objective and experienced evaluation.

ASI reserves the right to refuse any gift that is not consistent with its mission. In addition to and without limiting the generality of, the following gifts will not be accepted by the ASI:

- Gifts that violate any federal, state, or local statute or ordinance
- Gifts that involve unlawful discrimination based upon race, religion, gender, sexual orientation, age, national origin, color, disability, or any other basis prohibited by federal, state, and local laws
- Gifts that contain unreasonable conditions (e.g., a lien or other encumbrance) or gifts of partial interest and property
- Gifts that are financially unsound
- Gifts that could expose the ASI to adverse publicity, litigation, or other liabilities

In order to avoid conflicts of interests or appearances thereof, officers, directors, and employees are prohibited from accepting gifts, gratuities, or prizes from vendors, suppliers, or others with whom they have contact as a course of business. This prohibition is consistent with Conflict of Interest certification and policies of the ASI. The Associated Students, Inc. Executive Director shall report to the ASI Board of Directors those gifts which have been accepted.

3. FUNDRAISED DOLLARS

Fundraised dollars are to offset the operating expenses of specific programs. At the end of the fiscal year, accounting draws down any needed fundraised dollars from the specific Philanthropic account. ASI fundraises for programs and services such as the Food Panty, Children's Center, Camp Titan.

This policy shall exclude programs that generate revenue through ticket sales to offset operational costs. Only monies which were explicitly fundraised shall be transferable. Unspent student fee monies shall continue to revert to the ASI Reserve Account at the end of the fiscal year.

The unspent fundraised monies shall be applied to the ASI Reserve Account locally withheld by ASI (in LAIF) for the following fiscal year and will exclude the amount during budget deliberations.

4. PUBLIC RELATIONS EXPENDITURES

Fundraising expenditures may be made from the Corporation's funds for public relations or relationship development purposes when the activities have direct benefit upon the interest of the Corporation. While

such expenditures may include meals for Corporate Members involved in the activity, the primary rationale must reflect the overall benefit to the Corporation.

Solicitation

Funds may be solicited from any entity provided that any funds received will be deposited fully with the Corporation. In accepting donations, potential costs incurred by the Corporation in future maintenance of the donations must be addressed prior to acceptance of the donation.

Allowable Expenditures

Expenditures may be incurred for materials and supplies, meals, overnight lodging, and travel cooperating with guidelines established for the same purposes by staff and members. An amount up to 150% of the established guidelines except for travel may be authorized when approved in advance by the President of the Associated Students, Inc., the Board Treasurer, the Associated Students, Inc. Executive Director and the Chief Financial Officer of the University.

Accounting Control

All expenditures should be documented with receipts, invoices, and other materials as evidence of expenditures. The name of individuals participating in the public relations activity and receiving or benefiting from these expenditures shall be listed on check requests. The Associated Students, Inc. Executive Director will report to the Finance Committee at the last meeting of each semester any public relations expenditures made during the semester.
