* Describe your program or travel, and the specific purpose of your funding request.

Speaker honorariums for Augmentative and Alternative Communciation (AAC) club. We plan to have three speakers this semester who require honorariums, but the CICC does not have a budget line for that. Therefore, we are unable to make a request for this. AAC club would like to reach out to ASI for funding support before using our limited club funds to pay speakers.

We also applied for a grant, but don't believe it will come in time to pay our speakers this semester or if it will be accepted. If it is accepted we also plan to continue using that grants funding for other events next semester! We just need funding for this semester as soon as possible.

* Share a detailed budget breakdown of what the requested funds will be spent on, if approved. For councils, specify your budget number, line-items and amounts for where funding will go.
Program/Travel Example: Fully 57 Block Party Decor (balloons and streamers) - $150 Rental Equipment (tables and tents) - $300 DJ vendor (2 hours) - $250 Food truck (50 vouchers) - $750
Council Example: ASI InterClub Council Budget #SG057, B-Side Travel - $1,500 Professional Services - $500

Speaker honorarium: Kevin Williams - $500
Speaker honorarium: Mateo Moreno - $400
Speaker honorarium: Tracy Rackensperger - $500

* Total Amount of Contingency Request

$ 1,400.00

* Have you been approved for ASI contingency funds for this funding need before?

No

* Will you utilize any external funding from an additional funding source for these needs?

No, external funding requests were denied

* How many students are expected to participate in this program or travel opportunity? Share an estimate if not firmly determined, as well as any attendance statistics from previous events.

We typically have about 10-15 attendees including board members at our events. We aim to get 20+ attendees from both our club members and the community for these speaker events! They will be held online and we plan to advertise more in order to drive engagement.

* Attach your PowerPoint presentation (maximum of 6 slides).
