DEFINITIONS

For Purpose of this policy, the terms used are defined as follows:

Terms	Definitions
Automatic Disqualification	Occurs immediately due to the Elections Judicial Council's vote on violation(s).
Campaigning	Any effort by any individual or group to influence the decision of any potential voter in support or against any candidate or candidate team appearing on the ballot.
Candidate	One (1) student who has filed the "Petition for Candidacy" forms, attended the mandatory candidate orientation, and fulfilled the requirements to run for office as stated in ASI Policy.
Candidate team	Two (2) students who have filed the "Petition for Candidacy" forms with the intention of running for ASI President and Vice President, attended the mandatory candidate orientation, and fulfilled requirements to run for office as stated in ASI Policy.
Disqualification	This is a condition under which a person may not assume, continue in, or run for any elected or appointed ASI position. Can only be finalized by the Elections Judicial Council.
Instant Run-Off Method	The tabulation process for ranked choice voting where one or more eliminations occur to simulate multiple run-off elections until winner(s) are determined. This process involves voters ranking candidate(s) in order of preference on a single ballot. During tabulation, the candidate or team with the lowest number of first-choice votes is eliminated. Those votes are transferred to other candidates depending on each voter's next preference stated on their ballot. This process will repeat until a candidate or candidate team receives a majority of votes.
Matriculated Student	A matriculated student is a student who has, through normal procedures, been formally admitted to and enrolled at Cal State Fullerton to pursue an authorized degree, credential, or certificate.
Removal from the ballot	A candidate running for elected ASI office is removed from the ballot due to incomplete eligibility or disqualification.
Violation	A formal complaint that has been filed with and confirmed by the Elections Judicial Council.
Write-In Candidate	Any person who runs for office within ASI and does not have their name listed on the ballot. Write-in candidates shall have the same rights and responsibilities as all other candidates, except they did not attend the Mandatory Candidate Orientation.

STANDARDS

1. ELECTIONS

Each year, the Cal State Fullerton's Student Body shall elect the ASI President, ASI Vice President, and ASI Board of Directors for the upcoming academic year. The elections shall be held Tuesday through Wednesday three weeks prior to Spring Recess.

Public notice of an election must be given to the student body no later than ten (10) legal days prior to the election. The notice shall specify the place(s), the legal day(s), the hours of such elections, and the general nature of the issue(s) to be decided.

The ASI President and Vice President shall run as a candidate team. Individual candidates for either office shall not be allowed. An ASI Board of Director candidate must run in one academic college which they are enrolled.

No member of the ASI Executive Officers or ASI Board of Directors shall serve in any other position that receives a financial award or scholarship.

2. VOTING PROCEDURES

Voting will take place Tuesday through Wednesday three weeks prior to Spring Recess. Voting will open at 8:00 AM PST on the first day and close at 8:00 PM PST on the final day.

Candidates are required to use their name on record with Cal State Fullerton on the ballot. The order of candidates appearing on the ballot will be in alphabetical order.

Each student shall be required to authenticate their eligibility to vote by entering their Cal State Fullerton credentials on the voting website. A student will vote on a single ballot, in most to least preferred: ASI President and Vice President and ASI Board of Directors.

When voting for the ASI Board of Directors, the student will be voting in the academic college which they are enrolled. If a student is undeclared, they may choose which one academic college to vote in. If a student has multiple declared majors in different academic colleges, they shall choose one academic college that they are enrolled to vote in. If a student is voting for a write-in candidate their name must be spelled correctly, as Cal State Fullerton has on record, for the vote to count.

3. DETERMINING WINNERS

The Instant Run-Off Voting method will be used to count the votes. On the ballot, voters will rank candidate teams and Director candidates in order of most preferred to least preferred. The Instant Run-Off Voting method simulates an election with multiple run-off rounds until a candidate receives a majority.

The winners will be the candidate or candidate team who receives a majority of votes in the regular election. A majority shall be defined as 50% plus one individual vote of the total votes cast.

President and Vice President:

- The winners shall be one (1) team, consisting of an ASI President candidate and an ASI Vice President candidate, who receive the most votes via the Instant Run-Off Voting method.

ASI Board of Directors:

- The winners shall be the two (2) candidates from each academic college who receive the most votes via the Instant Run-Off Voting method.

At the close of voting the results will be counted. If there are no pending complaints or appeals, the Elections Director will submit the results to be certified within twenty-four (24) hours. The certification process will include review by the Elections Director, ASI Executive Director or designee, and the Vice President of Student Affairs and Strategic Enrollment Management or designee. Results are only certified after any complaints have been heard by the Elections Judicial Council and appeals have been heard by the ASI Board of Directors. Once certified, the results shall be released to the public.

4. ELECTIONS TEAM

The Elections Team shall be composed of the Elections Director and two (2) Coordinators. They shall be

responsible for promoting ASI Elections and encouraging participation and promotional events for ASI Elections. The Elections Team shall be advised by full-time advising staff within the ASI Student Government department, with the Director of Student Government serving as the Elections Advisor regarding Elections Judicial Council activities.

The Elections Team shall encourage students to run prior to the Petition for Candidacy form due date, promote voter participation prior to and throughout the election, plan and execute ASI Elections events, and have thorough knowledge and understanding of election rules and procedures.

The Elections Team shall maintain impartiality towards elections. The Elections Team will not campaign in any election nor publicly support any candidate or cause in any election they are overseeing. The Team will not have any other ASI student leadership position in a Major Student Government Office during their term and will sign an ASI Conflict of Interest Agreement in accordance with California Education Code. The Elections Team is prohibited from privately discussing elections except with the Elections Advisor.

The Elections Team and Elections Advisor reserve the right to remove any campaign materials in violation of the guidelines provided in this policy.

5. CANDIDATE AND INCUMBENT ELIGIBILITY

At the time of filing for candidacy and throughout their term, elected ASI student leaders must meet and maintain the requirements outlined below. All students must also be in good standing and must not be on academic or disciplinary probation. Once grades are finalized by the university at the end of a regular semester (fall and spring), eligibility is checked and certified by the Office of the Vice President for

Student Affairs and Strategic Enrollment Management. Changes, corrections, or other modifications to grades or academic records must follow standard university process and do not reestablish eligibility. Eligibility can only be reestablished at the completion of the standard university process and after a recheck and certification of eligibility by the Office of the Vice President for Student Affairs and Strategic Enrollment Management.

These eligibility requirements are established by the CSU system as the Minimum Qualifications for Student Office Holders. The below criteria pertain to the CSU definition of Major Student Government Offices. Major student offices include students who are executive officers (ASI President and Vice President) or board members (ASI Board of Directors) on student government. Write-in candidates must complete an ASI Conflict of Interest Agreement. Agreements must be submitted to the ASI Elections Director before the write-in candidate's campaigning activities begin.

In the event of a tie between a write-in candidate and a candidate listed on the ballot, the candidate who attended the Mandatory Candidate Orientation will automatically be declared the winner.

c. Verification

The Vice President for Student Affairs and Strategic Enrollment Management or designee will verify the qualifications of candidates running for office or those who have applied for an appointed position ahead of the Mandatory Candidate Orientation. They will report to the ASI Executive Director concerning the qualifications of all candidates or applicants.
