

ASI Student Body Elections: Spring 2026 Official Voter Information Guide

Voting will take place the Tuesday through Wednesday three weeks prior to Spring Recess. Voting will open at 8:00 AM PST on the first day and close at 8:00 PM PST on the final day. Candidates are required to use their name on record with CSU Fullerton on the ballot. The order of candidates appearing on the ballot will be in alphabetical order.

Spring 2026 Dates: Tuesday March 10th – Wednesday March 11th

Each student shall be required to authenticate their eligibility to vote by entering their CSU Fullerton credentials on the voting website. A student will vote on a single ballot, in most to least preferred: ASI President and Vice President and the ASI Board of Directors.

When voting for the ASI Board of Directors, the student will be voting in the academic college which they are enrolled. If a student is undeclared, they may choose which one academic college to vote in. If a student has multiple declared majors in different academic colleges they shall vote in the primary academic college that they are enrolled in. If a student is voting for a write-in candidate their name must be spelled correctly, as CSU Fullerton has on record, for the vote to count.

The ***Instant Run-Off Voting method*** will be used to count the votes. On the ballot, voters will rank candidate teams and Director candidates in order of most preferred to least preferred. The Instant Run-Off Voting method simulates an election with multiple run off rounds until a candidate receives majority.

President and Vice President:

The winners will be the candidate team who receives a majority of votes in the regular election. A majority shall be defined as 50% plus one individual vote of the total votes cast. The winners shall be one (1) team, consisting of an ASI President candidate and an ASI Vice President candidate, who receive the most votes via the Instant Run-Off Voting method.

ASI Board of Directors:

The winners shall be the two (2) candidates from each academic college who receive the most votes via the Instant Run-Off Voting method.

At the close of voting the results will be counted. If there are no pending complaints or appeals, the Elections Director will submit the results to be certified within twenty-four (24) hours. The certification process will include review by the Elections Director, ASI Executive Director or designee, and the Vice President of Student Affairs and Strategic Enrollment Management or designee. Results are only certified after any complaints have been heard by the Elections Judicial Council and appeals have been heard by the ASI Board of Directors. Once certified, the results shall be released to the public.
