

ASI FOOD PANTRY COMMUNITY GUIDELINES

Pantry Eligibility

- Any currently active CSUF student may utilize the Pantry
- We are a supplementary food resource and our funding allows for our Patrons to visit the pantry **once a week.**

Pantry Appointments

- All Patrons must create a **Pantry Soft** account in order to book an appointment: **<https://app.pantrysoft.com/login/csfullerton>**
- Pantry appointments will be posted by **9am** every Monday to ensure equal opportunity for patrons to make an appointment that week.
- Due to space capacity and limiting wait times, there is a 10-minute grace period for all late appointments.
- We do not allow early appointment check-in. Please only check-in at your scheduled appointment time.
- Please note that **Fridays** are the only days of the week we accept walk-ins
- All patrons **must bring their own reusable bag** as we will not provide one.

Equitable Access to all Patrons

- We are primarily a donation-based Pantry. This means we may have more or less stock of a certain item one week compared to the next.
- To ensure equitable access to all students, each week there will be postage of amount limits you may receive up to during your visit.

Understanding our Limits

- **Items limit** = the amount of items **total** you may take up to.
- **Bonus** = You may take 2 or more of this and it **will not** count towards your item limit
- **Unlimited** = You may take 2 or more and it will count towards **one** of your total item limits
- **No Duplicates** = You may **not** take more than **1** of the same exact item

Additional Community Resources

- **2-1-1 Orange County:** <https://211oc.org/>
- **Orange County Food Bank:** <https://www.capoc.org/oc-food-bank/>
