DRDP Measure: Math/counting

Age Group: Preschool-age

Bird Count

Materials

- Binoculars (can be made by taping two paper rolls together)
- Notepad
- Pencil or marker

>Tip: Remind your child the importance of being respectful to nature and not disturbing wildlife.

Directions:

-Go outside and find a good spot to birdwatch

-Ask your child to make tally marks on their notepad every time they spot a bird

-Then help your child count all their tally marks. How many birds did you see?
