

Activity Share: Build a Birds Nest

Age group: Preschool

Materials

- Mixed loose material (twigs, leaves, wool yarn, strips of paper, etc.)
- 3 blue, yellow or red pom poms (these will be the little birds)
- A round cardboard cutout
- Glue

>Tips:

Do this activity after looking at pictures of real bird's nests. Let your child know that different birds make different nest, and the birds find the material they use to make their nest everywhere.

Directions:

- Encourage your child to glue as much of the mixed material as they would like then glue on the pom-poms to be the little bird in the nest.
