

Activity Share: **Color Hunt**

Age group: Toddlers - Preschoolers

Click [here](#) to print Color Hunt template to start your Color Hunt!

If you are unable to print template, go on a nature walk or gather items in your house and have your child sort them by using different colored paper or markers to make your own color hunt template!

Color Hunts are a great way for your child to visualize colors and identify them in the environment. It is also a great sorting activity.
